## President Report

The 2018-19 season has been a fairly eventful year, with numerous carnivals and other events keeping us all busy. Many thanks to our Board of Directors for their commitment and energy in the day to day running of the club. In particular, I would like to acknowledge Maddy Ruygrok, our Secretary, elected last year, who has worked tirelessly all season and truly been a godsend especially in our dealings with Gold Coast City Council (GCCC). I hope she's with us for a long time to come, and we welcomed Andrew Shield early this year, who has stepped into the Treasurer's role, and in his time with the Committee has shown us he is indeed a valued member, whom I also hope will be with us for a lengthy stay.

On behalf of the Board, I extend our sincere thanks to Chris Bindley for his dedication and tireless work as the Director of Lifesaving. Chris has chosen to step down this year, but we look forward to seeing him on patrol and around the Club in the future.

Many thanks go to our volunteers, a number of whom travel from Brisbane and other regions to patrol our beach. Without these people we simply would not exist as a club. The volunteer's efforts enable us to fulfil our commitments to SLSA, SLSQ and GCCC, which enables us to be here. Special mention to John Huntley-Chipper, Leon Dunstan, Tristan Arnold and Raoul Somers and I'm sure I've missed some others who have patrolled way above the rostered patrol hours, as well as helping out at various carnivals.

It is great to see the growth of surf sports again at Tugun, particularly our youth and masters Competitors. The Senior Water Section under the guidance of Huey, had a positive season with training numbers growing and making finals at States and Aussies, including the Open Taplin. Our Masters competitors came away with medals at the Aussies, congratulations to the 260+ Boat crew (Julius Czerny, Richard Finney, John McCarthy, Neil Coe & sweep Brett Beutel) on their silver and Melanie Black for her silver & gold medal wins. Thanks to all who coached and swept boats, and a big thanks to Melanie Black who has resurrected our beach section and has shown some very promising results to date.

Again special thanks to Hoddy, the General, who rules the boat shed with an iron fist and organizes our workforces, into a tight, highly effective unit, for any carnival we might have.

It was extremely pleasing to see the Nippers significantly increasing their numbers this season, one of only 2 Clubs to do so in the Pt Danger Branch. The Nippers have had their best season for many years. Congratulations to Murray Seaton and his team on a most successful season. You'll see more in Murray's report.

I take this opportunity to also extend our sincere thanks to the Tugun Lifesaving Supporters Club for their continued and ongoing support over the 2018/19 Season.

The club cracked a jackpot this season. As you know, Tarren resigned last year to pursue her teaching career and we take this opportunity to wish her the very best in her future career. And then along came Sharon Phillips who moved to the area after relocating from Western Australia. Sharon has been an excellent administrator since arriving in September last year, and has already proven herself to be a very valuable asset. Long may she stay!

Thank you for your support over the season and we look forward to a successful 2019/20 season.

**Greg Hamilton**

## Secretary Report

This is my second year as a Club Secretary, and since joining the Board of Directors in late 2017, there have been significant changes and challenges that have been faced by the team. Since last year's AGM, the Surf Club has experienced changes including the appointment of a new Club Administrator, a new Surf Sports Director, and Club Treasurer, all of which provided fresh faces and fresh ideas to the Committee agenda.

A key action item for the Committee this season was the development of a draft Strategic Plan to present before you today, to show you we, as an Executive Committee, are committed to growing and strengthening our Club, as well as identify mechanisms for achieving these goals in the future.

A part of this process my role this year, with the assistance of the Club Administrator, was to identify areas of the Club that required immediate attention, action and resolution prior to the formal implementation of the Strategic Plan moving forward. These items primarily related to the business and administration side of the Club to ensure all the documentation, finances, Council approvals, and licensing were up to date prior to AGM, to allow the season of 2019/20 to be solely focused on moving forward to achieve the Clubs bigger picture goals as drafted in the in Strategic Plan.

I have enjoyed the role and working with the Committee and wider members to assist the Club in moving forward, and I am grateful to have the opportunity to give back to the Club and Community that had given so much to me in recent years.

Being Club Secretary provided has provided me with the opportunity to dabble in all sections of the Surf Club and get to know more of you in the process. It has opened my eyes to the importance of each and every one of you as volunteers across different sections of the Club, and the role you play in the long term success, sustainability and growth of our Club. I personally wish to thank you all for your assistance and contribution throughout the year.

Last but certainly not least, I would like to thank on behalf of the Tugun Surf Life Saving Club Board of Directors, the on-going hard work of our Club Administrator since her appointment. She is an absolute god send and asset for the Surf Club, with her role and contribution to the club seamlessly having no bounds.

It has been both a pleasure & an honour to be a part of the Tugun Surf Life Saving Club Management Committee for the 2018/19 season. I have been fortunate to work alongside a dedicated & passionate Executive Committee, whom consistently undertake their roles with pride & commitment.

I wish you all a happy and safe off season and look forward to the year ahead.

## Madison Ruygrok

## Treasurer's Report

The 2018-19 Season has been a challenging year for the Club, with Treasurer Caterina Timpano-Hair stepping down in August 2018. I take this opportunity on behalf of the Management Committee to thank Caterina for undertaking this role. I came into the position in January 2019.

This season has seen significant effort put into the engagement of a new Club Administrator, Sharon Phillips, reviewing the current accounting structure, a new sub-lease with the Tugun Surf Life Saving Supporters Club, and progressing funding via a loan through the Tugun Investment Trust for the installation of a lift within the Surf Club.

The Club has received grants this season from the SLSA Beach Safety Equipment Fund, Qld Fire and Emergency Services, Cancer Council Queensland and Gold Coast City Council (via Point Danger Branch). The nippers successfully obtained significant sponsorship support from a number of companies, including Blooms Chemist: The Pines, G and L Formwork and Semi-Trailer Rentals Qld Pty Ltd. Additionally, the Club participated in the Qld Government "Get Started" program, which provides vouchers to families to cover registration fees to promote the engagement of children in sport. With assistance from the SLSA Foundation, we have also submitted a grant application to the Qld Government Gambling Community Benefit Fund for a new vehicle. Successful grants will be announced in October 2019.

This season the Club has experienced a deficit of \$31,246.67, compared to last season's deficit of \$105,777.00, indicating the Club is slowly moving in the right direction.

As we move into the new season, the focus for the Club will shift to sourcing funding for building improvements such as a new roof and increasing sponsorship opportunities.

Thank you for your support.

**Andrew Shields**

## Lifesaving Directors Report

**Well what another CRACKER of a year! With over 5,000 patrol hours completed, it truly was a team effort.**

There are a number of people that I would like to thank but the most important person to me yet again is definitely my wife Tileah, for being understanding (again) and supportive of the many many hours I have spent on patrol this year. I love you very much and I thank you for that.

Secondly to our new administrator Sharon, my heartfelt thanks for the many countless hours you have put into this club in the short period of time you have been here, to be honest I think we would be lost without you.

Thirdly to our Patrol Captains, again I thank you. Without you there simply would not be a patrol. You hold many of the awards on the team (although we worked on this throughout the year) and I appreciate that. To our patrol members, 5,000 hours. That simply is mind blowing! Thank you for sacrificing your weekends (and sometimes weekdays) and any other personal time you have given.

To our CTO Peter Tighe, again thank you for coordinating the training and again in particular your experience with IRBs, it was greatly appreciated. Thank you also to our other trainers and assessors and other subject matter experts that helped throughout the year. To our First Aid Officer Roger Dibden for your assistance, not just with First Aid but also with patrolling, looking after your group at times and also mentoring others (plus keeping State Centre honest again with the patrol ops manual).

To the core group of people that constantly fill in either as a sub or voluntary patrol I really appreciate your help. This group is the same group each year although it is expanding which is great to see

To the committee I thank you for your help, I am proud to say that all of the members on the Committee this year were active in patrols and that warms my heart to know we have truly led by example. Hoddy, Sodgy, Rooster and the other workforce members that do all the things behind the scenes people don't see like sweeping, cleaning, barrier patrol, feeding officials and many many other tasks, thank you!

To the Supporters club, I thank you for feeding our patrols every single weekend. It was a lot of meals and I personally want to thank you for that support.

Finally again I want to draw attention to some core members that without, this show would simply fold and they will hate me again for bringing up their names but I don't care because I simply would not have been able to do my job without them. Firstly, John HC. Mate, Astounding this year! IRB Captain, Vice-Captain, Patrol Captain for two patrols, Level 2 Surf Sports Official plus countless carnivals in the duck and over 100 hours (recorded) patrols. Insane work ethic, amazing guy! THANK YOU! Secondly, Leon. Bloody hell mate, I love ya! Leon has prepped more patrols and in particular IRBs this year than everyone combined. He is ALWAYS there before me, had 2 patrols of his own and filled in on a STACK of other patrols with over 140 hours (recorded). I mean, seriously? What an inspiration. Just 4 years ago Leon and I decided he was going to do his bronze (at 60 I might add) and now look at him! THANK YOU!

Finally, Tristan. Mate, honestly I don't know how to articulate how proud I am to simply know you. At 20 years old I know I wasn't patrolling the beach, much less on two patrols, filling in every other patrol, a number of hours at carnivals as water safety in the IRB and completing over 155 hours (recorded). Ever reliable and awarded to the wazoo too now, I see bright things for you Tristan and I am also immensely proud of the man that you have become along the way. THANK YOU!

Thank you again to everyone.

Yours in Life Saving

### Patrol Statistic Summary

## Surf Sports

The 2018/19 Season has seen our surf sports area slowly growing and showing positive signs for the future.

The Club was pleased to host the Pt Danger Branch Oceans 38 Round 1 and SLSQ IRB Ocean Roar Round 2 carnivals this season. Both carnivals had great competitions on display at Tugun beach, with perfect weather for both. I would like to take this opportunity to thank everyone involved with the work force and contributing to the success of these days for the Club. We couldn't do it without your support.

It was fantastic to see the growth of our Masters competitors this season. A huge thank you to Melanie Black for encouraging our "Nipper mums" to get involved with training and surf sports. Joelle Bruhn, Amanda Skuse, Petria Flint, Kelly Piazza and Mel had a very successful season at Branch, State and Aussie carnivals bringing home medals for the club. Congratulations!

It was exciting to see so many of our members travel down to Brunswick SLSC for their annual Masters carnival and take out the overall point score. I believe an amazing time was had by all who attended.

The Water Section, under the guidance of Hugh Dougherty has had some great results throughout the season and it is pleasing to see training squad numbers grow. Hugh will speak more this later in the report.

The surf boats had another great season. Thank you to Tony Benfield for undertaking the role of Boat Captain this season. Congratulations to the 260+ Boat Crew for taking out the silver medal at both the State and Aussie Masters. It was fantastic to see the Open Women's Boat Crew take out the overall point score for the ARSLQ Navy Boat series. Again more about this later in the report.

Thank you for your support throughout the season.

## Paul Bell

## Water Section

The 2018/19 season for our Water Section had some strong numbers at our training sessions and promising results from carnivals. It was good to see much of the squad being consistent with their training and pushing each other each afternoon on the water. This showed in the way a lot of them performed during the year. Some of these guys are really starting to match it with the higher profile clubs and competitors and it's good to see them starting to believe that they actually do have the talent to compete with the best.

A few of the older boys dusted off the dick togs for the Coolangatta Gold at the start of the season. Ken Wallace, Troy Hipwood and myself competed in the team event and came away with a win in our division (masters!). Hopefully we can get a few of the younger ones involved in this event next year.

From branch carnivals, to Oceans 38, Ocean 6, State and Aussies there was plenty of carnivals to attend during the year. Luckily a lot of these were held on the coast so we didn't have to travel too far.

The U/14's Jayda and Rocco had their first taste of an Australian titles and did quite well making semis and quarters of their events. They will take some good lessons out of that and hopefully use them for next year.

Tayla Rogers came back from a serious foot injury just in time for state and Aussies and managed to get through to the semis despite been under prepared.

The U/19 boys, Charlie and Jacko, raced well all year and made many finals at the major carnivals in their last year as juniors. Our Open Ski Relay (Chris, Rhyam, Joel), Board Relay (Joel, Rhyam, Hugh) and Taplin Relay (Chris, Rhyam, Owen, Joel, Hugh, Ken, Sam) made finals at both state and Aussies. We were on the wave for the medals in some of those races but unfortunately didn't get the little bit of luck that was needed to get on the podium. Other Aussie finalists were our Board Rescue team (Joel/Hugh) coming 6<sup>th</sup> and Jacko 12<sup>th</sup> in U/19 board.

Overall it was a pretty good year from the Water Section with some really competitive results and encouraging improvement in many of the group with both their competition and training.

Lastly, I'd just like to thank all our officials and IRB drivers for giving up their time at carnivals to allow us to compete. Hoddy for his thorough tent instructions before each carnival, Sharon in the office getting all the entries sorted and the Committee for the work they have done throughout the year.

See you next year,

**Hugh Dougherty**

## Boat Captain Report

This 2018-2019 season the Club had five surf boat crews.

In the masters, we had a 260yrs master's crew with Richard Finney, Julius Czerny, Martin Coe, John McCarthy & sweep Brett Beutel. For various reasons the guys didn't compete at all of the carnivals, but they competed at the ones that mattered, Queensland State & Australian Championships. At both carnivals the guys came away with Silver medals. Well done.

The Club also had a 200yrs master's crew with Wade Morley, Rob Ryan, Jason Smith, Col Johnston and Shannon Buck. Whilst the guys didn't compete at many carnivals, when they got the chance they had fun.

In the Open divisions, we had an A grade men's crew, an A grade women's crew and a Reserve grade women's crew.

The women's reserve grade crew started the year with Gabi Lean, Gillian Fleming, Carolyn Smith, Tileah McGowan & sweep Colin Martin. After a few months, Carolyn stood down from the crew & was replaced by Linley Bertacchini. The girls competed well all season winning a few races, losing a few races, but always smiling and willing to help out. A great effort from a first year crew, thanks to the "Gypseas" for a great season.

The A grade men's crew of Brendan Ratcliffe, Eli Gray, Morgan McDonagh, Nathan Down & sweep Brook Down competed in Queensland carnivals, as well as carnivals in the NSW North Coast Surf Boat Series at which they finished on equal points in second place. Based in Coffs Harbour, the guys still did their patrols and attended Club functions. Well done the "Rebels".

The A grade women's crew started the season with Terani Inoke, Maddy Ruygrok, Bec Newton and Jen Meister. Jen Meister stood down from the crew and was replaced by Christine Coady. After a couple of carnivals Christine left the crew and was replaced by Jane Eubergang. The girls won the point score in the Queensland Navy Series and the Queensland Cup.

Surfboat rowing is a team sport and it is difficult to single out individuals. However special mention must be made for the results of our 260 years master's crew and their efforts in claiming silver medals at State and Aussie Championship events. I would also like to acknowledge the achievements of the women's reserve grade crew supporting raffles, assisting with boats, always smiling, you did well girls.

That is it for another season. I would like to thank the Surf Life Saving Club Committee for their support and understanding of our boat section in our endeavors to have everyone and everything on a level playing field.

Good health & prosperity to all rowers going forward & especially to those planning on competing for Tugun next season.

## Tony Benfield

## Director of Junior Activities Report

**It's safe to say that the 2018-2019 season was one to remember.**

At the start of the season, the committee and I were all wondering how things were going to progress from the previous season being that this was the start of our second season as an unchanged committee. Undoubtedly it exceeded all of our expectations. Tugun was one of only two clubs in the Point Danger Branch to have membership growth. This is something that I am extremely proud of.

Once again, this season proved that many hands make light work and without the help from our ever growing group of volunteers, we would not have been able to achieve half of what was achieved this season. From the huge amount of parents completing their Bronze Medallions, enabling them to patrol our beaches to the large group qualifying for their Officials certificates, this truly was impressive.

As a committee we set out at the start of this season with a goal of increasing our participation numbers, whether that was at the creek for board training or with our newly appointed Beach running coach Mel Black. The numbers at the creek were in excess of sixty per session, split into three groups. I would like to thank Jo Bruhn (our Beginner Board coach), Kelly Piazza (our Intermediate Board coach) for helping out and making this such a success. It really was something to see, having so many kids, in Tugun colours, enjoying themselves, learning to paddle and learning to be safe in the water. A big thank you to all of our Water Safety crew for giving up your time to allow us to be able to provide such training sessions.

As for the Beach, Tugun this year was so lucky to have the coaching services of Mel Black. Mel brought a ton of knowledge and passion to the role and had some truly unbelievable results.

This season we also introduced the U7 age manger role to the club. This was traditionally completed by two of Tugun's finest, Frankie and Dave. The move proved to be a success from all reports. Big thanks to Maddy Ruygrok who happily volunteered to take on the role.

We once again were lucky enough to have the support from our sponsors, G & L Formwork, Semi-Trailer Rentals, Blooms the Chemist, Bendigo Bank –Tugun and the IGA Tugun.

From a competition side of things, Tugun had arguably the best season to date. We finished the season in 8<sup>th</sup> place at the State Titles (refer over page for all our state medal winners)

Finally, I'm again very grateful for the assistance from our dedicated committee. You really do all give above and beyond, and the continued success of the club is a reflection of your commitment. The long term plan for our current committee is to lay foundations that will ensure the success of our club for years to come.

**Thank you**

**Murray Seaton**

## Building Officer Report

With only a small number of carnivals this season (Ocean's 38 Round 1, ASRLQ State team selection Round & Ocean Roar IRB Round 2) our Tugun workforce, as usual turned up to each carnival willing and eager to help out. The workforce did a great job, with special mentions to our IRB and tractor crews, Leon, Raoul, John and everyone involved.

It's impossible to thank all our members who have helped out around the club over the season, but I take this opportunity to thank Sodge, Rooster, Seato and Damo for looking after the gym gear. Also, to Jean for keeping our amenities spotlessly clean. Your efforts are greatly appreciated.

Now to Rhyam, Chris and the Larrikins for the great effort they did organising and tidying up the craft facility, with guidance from Hughie and Murray. Also it was great to see the wonderful effort by the group in the surf, especially the taplin relay at Aussies this season.

Congratulations must also go to our beach and boat sections for a fantastic competition season.

That's it for another year.

## Hoddy

*P.S Thanks for bringing the tents back in one piece!!!*

## Chief Training Officer

Another successful year of training and surf education was achieved this season with a big thank-you going out to our training team Chris Bindley, Lee Smith, Roger Dibden and Andy Wilson.

Nine of our juniors gained their **Surf Rescue Certificates**, congratulations:

Rocco Calliste, Georgia Daly, Jayda Hughes, Shaun Loubser-Goldblatt, Tahlia Mitchell-Darley, Will Price, Hugo Roderick Tolvay, Sophie Vickery, Hudson Yates

And thanks to Jay Lester, Russell Ramsay, Madison Ruygrok and Donald Whichello for volunteering and completing their **Age Managers Course**, a vital role for our Nippers.

Among the seniors, we were able to get another 19 **Bronze Medallions** awarded, a great effort by our Trainers and Trainees, congratulations:

Melanie Black, Lucas Brooks, Harold Brown, Steven Brown, Kai Cheney, Jack Daly, James Dick, Tai Dowling, Dougie Graham, Joshua Hately, Tully Hately, Alexander Hughes, Jay Lester, Reece Loubser-Goldblatt, Maurizio Piazza, Andrew Shields, Carolyn, Smith, Rika Toda, Mark Woods

Thanks to the following 13 patrolling members who completed their **Silver Medallion – Beach Management**, qualifying them to become Patrol Captains, congratulations:

Tristan Arnold, Scott Browning, Garna Dowling, Sohichi Imamiya, Jennifer Meister, Sean Phillips, Christopher Price, Madison Ruygrok, Caterina Timpano-Hair, Alana Todhunter, Ben Walter-Mannah, Kerri-Ann Whichello, Wayan Widyartha

And I had the pleasure of running another IRB course during the season.

Congratulations James Fripp on completing the **IRB Driver Course** and the following new **IRB Crew** members:

Christine Coady, Christopher Price, Archer Shields, Zyah Timpano-Hair, Matilda Yates

Thanks again to our trainers and members that have given up their free time to take part in training and allowing the Tugun Surf Club to help keep our beach safe for all. See you in the water!

**COMMITTEE'S REPORT**

Your committee members present this financial report on the Tugun Surf Life Saving Club Inc for the financial year ended 30 April 2019.

**Committee Members**

The names of each person who has been a management committee member during the year and to the date of this report are:

President	Greg Hamilton
Treasurer	Andrew Shields (appointed 14 January 2019)
Treasurer	Caterina Timpano-Hair (held office until 10 September 2018)
Secretary	Madison Ruygrok
Surf Sport Director	Paul Bell (elected 23 June 2018)
Junior Activities Director	Murray Seaton
Life Saving Director	Chris Bindley

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

**Principal Activities**

Promote, advance and control the work of surf life saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere, and to fulfill any charter of the association including its environment and community education commitments.

**Significant Changes**

No significant change in the nature of these activities occurred during the year.

**Operating Result**

The deficit amounted to \$31,246.67 (2018: deficit of \$105,777.00). The association is exempt from income tax and is endorsed by the Australian Taxation Office (ATO) as a Deductible Gift Recipient (DGR) and as a Public Benevolent Institution (PBI).

The financial statements were authorised for issue on the same date as this report by the committee members of the association.

This committee's report is signed in accordance with a resolution of the committee members.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2019**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Corporate Information**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act and the Australian Charities and Not-for-profits Commission Act. The committee has determined that the association is not a reporting entity.

**Basis of Preparation**

The financial statements are for the Tugun Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. The Tugun Surf Life Saving Club Inc is an association incorporated in Queensland under the Associations Incorporation Act and is registered as a charity under the Australian Charities and Not-for-profits Commission Act.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following Australian accounting standards have been applied in the preparation of these financial statements:

AASB 101 - Presentation of Financial Statements  
AASB 107 - Statement of Cash Flows  
AASB 108 - Accounting Policies, Changes in Accounting Estimates and Errors  
AASB 1048 - Interpretation of Standards  
AASB 1054 - Australian Additional Disclosures

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

**Accounting Policies**

**a. Income Tax**

No provision for income tax has been raised as the association is exempt from income tax under Section 50-10 of the Income Tax Assessment Act. Tugun Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions. Further, Tugun Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

**b. Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year. When required, comparative information is reclassified where appropriate to enhance comparability.

**c. Economic Dependence**

Tugun Surf Life Saving Club Inc is dependent on the Tugun Surf Life Saving Supporters Association Inc for funds used to meet its financial commitments. At the date of this report the committee members have no reason to believe the Tugun Surf Life Saving Supporters Association Inc will not continue to support Tugun Surf Life Saving Club Inc.

**d. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2019**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**e. Critical Accounting Estimates and Judgments**

The committee of management evaluate estimates and judgments in the financial report based on historical knowledge and best available information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

**Key estimates**

The estimate of the useful life of plant & equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered during the year or during preparation of this financial report.

**Key judgments**

The methods of depreciation are used to provide a consistent usage of the useful life of plant & equipment. The methods also allow, where required, for the plant & equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the committee of management.

**f. Contributions**

If and when Tugun Surf Life Saving Club Inc receives non-reciprocal contributions from the government or other parties for nothing or a nominal value the contributions would be recognised at the fair value on the date of acquisition upon which time an asset is taken up in the Statement of Financial Position and revenue in the Statement of Profit or Loss and Other Comprehensive Income.

**g. Revenue**

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Grant revenue is recognised in the Statement of Profit or Loss and Other Comprehensive Income when the association obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the association and the amount of the grant can be measured reliably.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

**h. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less, and bank overdrafts.

**i. Trade and Other Receivables**

Trade and other receivables include amounts due from members as well as amounts receivable from other entities. Receivables expected to be collected within twelve months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**j. Inventories**

Inventories are measured at the lower of cost and net realisable value.

**IA 944 CP 1423 ABN 23 531 283 216**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2019**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**k. Property, Plant and Equipment**

Each class of property, buildings, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and impairment losses.

***Leasehold improvements, plant and equipment***

Leasehold improvements, plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of leasehold improvements, plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1m for details of impairment).

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

***Depreciation***

The depreciable amount of leasehold improvements, plant and equipment is depreciated on a straight line basis over the asset's useful life to the association commencing from the time the asset is held ready for use. The rates used for each class of depreciable assets are:

<b><u>Class of Fixed Asset</u></b>	<b><u>Depreciation Rate &amp; Method</u></b>	
Leasehold improvements (Clubhouse building)	2.50%	Prime Rate
Leasehold improvements (Clubhouse additions)	2.50% - 10.00%	Prime Rate
Plant & equipment	6.67% - 40.00%	Prime Rate
Motor vehicles	8.50% - 15.00%	Prime Rate

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

**l. Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the association during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

**m. Impairment of Assets**

At the end of each reporting period, the committee members assess whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the committee members estimate the recoverable amount of the cash-generating unit to which the asset belongs.

**n. Leases**

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

**Report on the Audit of the Financial Report**

***Opinion***

We have audited the accompanying financial report of Tugun Surf Life Saving Club Inc (the Association), which comprises the Statement of Financial Position as at 30 April 2019 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Association's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information and the Declaration by Members of the Committee.

In our opinion, the accompanying financial report of Tugun Surf Life Saving Club Inc is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act, the Collections Act and the Associations Incorporation Act, including:

- i. giving a true and fair view of the Association's financial position as at 30 April 2019 and of its financial performance for the year then ended; and
- ii. complying with Australian Accounting Standards to the extent described in Note 1.

***Basis for Opinion***

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of the Australian Charities and Not-for-profits Commission Act and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter***

Our opinion is not modified in respect to the following matters:

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the Australian Charities and Not-for-profits Commission Act and the Associations Incorporation Act. As a result, the financial report may not be suitable for another purpose.

We draw attention to the 2018 comparative amounts disclosed in this financial report. The 2018 financial report was audited by another audit firm and we have undertaken audit testing on the opening balances as at 01 May 2018. The 2018 financial report was not qualified by the previous audit firm.

***Information Other than the Financial Report and Auditor's Report Thereon***

The Committee of the Association is responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 April 2019, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

***Responsibilities of the Committee for the Financial Report***

The Committee of the Association is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act, the Collections Act and the Associations Incorporation Act and is appropriate to meet the needs of the members.

The Committee's responsibility also includes such internal control as the Committee Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the ability of the Association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

***Auditor's Responsibilities for the Audit of the Financial Report***

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
TUGUN SURF LIFE SAVING CLUB INC  
IA 944 CP 1423 ABN 23 531 283 216  
(continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
