## AUSSIE Champions

---

**Grace Hughes**  
Gold  
U14 Female Iron  
Bronze  
U14 Board Race

**Milla Seaton**  
Gold  
U13 Female Board Race

**Jake French, Ryan Muggeridge, Ziah Peisker**  
U17 Male Surf Ski Relay  
Silver

**Lily Alford, Elli Harriden, Lily McClure,  
Mia-Charlotte Shepherd**  
U17 Female Beach Relay  
Silver

**Oliver Dillon, Jake French, Ryan Muggeridge**  
Under 17 Male Board relay  
Bronze

**Tiki Calliste, Charlotte Caughey, Grace Hughes,  
Luna Piazza**  
14/15 Female Surf Team  
Bronze

---

## *Office Bearers*

---

### **Board of Directors**

President	Brett Beutel
Secretary	Greg Hamilton
Treasurer	Jason Smith
Director of Lifesaving	Thomas Schneider
Director of Surf Sports	Karla James
Director of Junior Activities	Dan Ware (to Feb 23) / Adam Bruhn (from Feb 23)
Supporters Club Director	Vacant

### **Office Bearers**

Patron	Craig Williams
Chief Training Officer	Ian Phillips
First Aid Officer	Leon Dunstan and Lyn Sarquis
Transport Officer	Scott Edwards
IRB Officer	Hugo-Roderick Tolvay
Clubhouse Officer	Robert Hodgson
Youth Development Officer	Kelly Piazza and Thomas Schneider
Team Manager	Karl Muggeridge

### **Investment Trust**

Member 1	Craig Williams
Member 2	Peter Hall
Member 3	Arthur Anderson

### **Club Branch Officer**

Branch Councillor	Brett Beutel
-------------------	--------------

### **Coaches**

Head Water	Kelly Margetts
Beach Coach:	Callum Taylor
Surf Ski Coach	Jordan Wood
Nipper Coach	Murray Seaton
Boat Sweeps	Brett Beutel and Stanley Damro

### **Junior Activities Committee**

Chair	Dan Ware (to Feb 23) Adam Bruhn (from Feb 23)
Deputy Chair	Adam Bruhn
Secretary	Jane Dunstan
Treasurer	David Portas
Registrar	Jessica Baxter
Team Manager	Adam Bruhn
Uniform Coordinator	Tomoko Ware
BBQ Convenor	Emma Mannion and Rebecca Butwell

---

## President Report

---

As the sun sets on another season at Tugun Surf Lifesaving Club, it is time to look back on the year that was. A year for me personally that has had some challenges, but have managed to work through and hopefully develop the best results for the Club. As you are all aware we the committee have been slowly working through many compliance issues with our building. It has been a slow process and although it may appear a lot has not been happening, it does not happen overnight and we are getting there slowly. There are some exciting things happening in the near future with the renovation of both male and female change rooms, and we have just received approval to put new roller doors in the southern end of the Club, which will hopefully help reconfigure the boatshed to assist with the growing number of craft needing a home.

The patrolling season this year saw more patrols undertaken by members, due to the loss of a couple of teams, but the consistency of people fulfilling their obligations and doing their rostered patrols was great to see. This was largely due to the Patrol Captains and the Director of Lifesaving making this happen.

Under the guidance of our Head Coach & the coaching team our competition side has really excelled this year both on the beach and in the water. We have seen excellent growth through the junior ranks with outstanding results, with two of our young competitors Grace & Milla coming away with gold medals at the national titles and our teams medaling both in the water and on the beach which was really great to see.

The state titles was another great success, with Tugun appearing in the medals again across different categories from the water to the sand and in the boats as well. The continued growth through the junior ranks has now started to filter into the seniors, which provides a strong future for Tugun on the competitive scene.

The nippers have exceeded expectations yet again both in growth in numbers and in the competitive arena. Our Nippers are the future of Tugun Surf Lifesaving Club.

To the trainers who have helped put people through their bronze, SRC and proficiencies I thank you.

Financially the Club has grown with great support from our Supporters Club, who have been committed to helping the Club wherever they could. There has been a great working relationship between the two Boards, which in turn creates a positive vibe throughout the Club, which has not been there before. To the Supporters Management Committee we thank you.

To my current Board members I would like to thank you for your guidance and the support you have given me throughout this season. To Sharon, our administrator, thank you for going over and above in your job to help Tugun become a better club.

To every individual member that has helped in any way this year you are what makes Tugun what it is and has become today!

### **Brett Beutel**

---

## Secretary Report

---

Once again, we have had a productive year. The Club has spent considerable time and money in getting the building up to date after many years of neglect, and meeting the challenges of changed local and state government regulations and requirements. Unfortunately, we still have major expenses ahead of us, as we bring the building up to standards. It is good to see the Surplus Fund Agreement with our Supporters Club finally making an impact on the Club finances, so we can meet these costs.

Congratulations to our coaches and athletes for their excellent results at all carnivals this season, also to our Masters Boat Crew for your sterling efforts during the season. We take this opportunity to sincerely thank Karla James for her commitment to the Club and we will be sorry if she steps down as the Director of Surf Sports next season.

It is truly pleasing to see both the Surf Club and Supporters Club Committees working together this season. The intercommunication between the management committees has been impressive. I've had a great rapport with my counterpart from the Supporters Club!

A huge thanks to our patrolling members, who seem to face even greater hurdles each year to get onto the beach protect our community, as the powers to be seem to thrive on making it more and more complicated for us volunteers.

Finally, I must congratulate Brett Beutel on his performance as the Club president, he has a mammoth task and is to be commended on the job he is doing. Also, Sharon must get a wrap as the best Club Administrator ever, her work ethos is above and beyond.

Thank you for your support over the season.

**Greg Hamilton**

---

## *Treasurer Report*

---

The Tugun SLSC Inc has once again performed well for the 2022-23 season. An operating surplus of \$121,187 for the year represents an increase of \$43,893 (56.8%) on the \$77,294 surplus reported for the 2021-22 season. This is an extremely pleasing result and thanks must go to all those that have contributed actively to Club fundraising throughout the year.

Cash reserves have also increased during the year. Current cash reserves of \$427,637 represent an increase of \$158,900 (59.1%) on those reported at year-end 2022. Particular thanks for this must go to the Tugun SLS Supporters Club for their continued financial support of the Surf Club's operations.

It is expected that a significant portion of the current cash reserves shall be utilised to continue the extensive building compliance works presently being undertaken by the Club. As we are all aware, this project is comprehensive and shall require significant resources to complete. The end goal of the compliance works is obviously to see the installation of disabled access lifts to the Club building. Many thanks must go to Club President Brett Beutel for leading this extremely complex and time-consuming project.

It was very satisfying to see so many favourable results in the surf sports arena throughout the season. The dedication and planning provided by the surf sports team over the last 4 years is truly beginning to pay dividends. I expect our continued investment in the surf sports area shall see the Club well placed to perform well as we head to our 100<sup>th</sup> year in 2025.

The included Financial Report for 2022-23 contains comprehensive detail of all club financial activities throughout the year.

Special thanks in achieving this result must go to the following contributors:

- The Tugun Surf Life Saving Supporters Association Inc – for providing donations via

the surplus funds agreement and continual support throughout the year.

- The Tugun Nippers – thank you to the JAC, parents and nippers that contribute so selflessly to the success of the Nipper area.
- Our corporate sponsors – these members of the community continue to support us and ensure our growth.
- SLSQ, SLSA, The Federal Government, The Queensland Government and The Gold Coast City Council for providing grants and support donations to assist our club continue Surf Life Saving operations.
- All the Raffle helpers – a sincere thank you to all members who assisted with the raffles and members draw each Thursday and Friday evening throughout the year. I would seriously be overwhelmed without your support. \$42,168 was raised in raffle revenue during the year.
- David Mitchell and the members of the Boat Panel that once again facilitated a successful Tugun Open Golf Day.

Finally, thank you to the following people for their support throughout the 2022-23 season:

- Sharon Phillips for everything you do for us at Tugun. You truly are invaluable to the club.
- Ian Barfoot (Club Auditor) for his continued support and professionalism.
- Craig Williams for your ongoing efforts to assist Tugun develop & improve.
- All management, staff & chefs of the Tugun Supporters club, for providing patrol meals and supporting our weekly raffle fundraising efforts.
- The Board of the Tugun Surf Life Saving Supporters Association Inc for your ongoing support.
- All members of the Tugun SLSC executive committee for making the year such a success.

**Thank you all.**  
**Jason Smith**

---

## Director of Lifesaving Report

---

As we lay down the flags for the 2022-23 season, we celebrate yet another successful year of lifesaving at Tugun: with minimal rescues, maximum efficiency and most importantly no drownings. This success is a result of our dedicated patrolling members, who continue to keep our beach safe. On behalf of the Board of Directors, the public, and myself I would like to extend my many thanks to every patrolling member for their stupendous efforts.

These efforts reflect the outstanding leadership we have on the beach. Which brings me to the Patrol Captains. The Patrol Captains constantly lead by example, inspiring confidence in others and providing guidance for the younger generation. I would like to extend my thanks to these valued leaders of Tugun Beach.

While we're on the topic of leadership, I'd like to recognise and thank the Board of Directors and our amazing administrator Sharon Phillips. It is always an honour to be a part of a committee that is so actively involved with its Club and members on and off the beach. The work that goes on behind the scenes often goes unnoticed, but it has a rippling effect on the rest of the Club. I would also like to thank the Supporters Club for their relentless support throughout the season.

One of my greatest motivations for continuing in the role as Club Captain over the last four years has been the development of our youth. It is refreshing to see that the tide continues to rise in the Fountain of Youth at Tugun. With many of the older youth members about to transition into the Senior Club, and even more settling in on Patrol, we have seen another influx of our juniors complete their Bronze and SRC courses.

The growth and development of youth would not be possible without our outstanding Nipper community, who essentially build the foundation of lifesaving at Tugun. I would like to thank everyone involved in helping create that stepping block for the younger generation and future of Tugun SLSC.

When taking that next step into senior lifesaving, you must undergo the appropriate training. Our qualified trainers dedicate even more time to run proficiencies and courses throughout the season, ensuring our patrolling members are rescue ready. Thus, I would like to thank our Chief Training Officer Ian Phillips and training enthusiast Roger Dibden, as well as our newly appointed First Aid Officer Leon Dunstan and Lyn Sarquis, for their service this year.

There are several members, who have demonstrated excellent service this season. I would like to give a special mention to the following:

- a massive thanks to our new IRB Officer Hugo-Roderick Tolvay, completing 188 patrolling hours and the only person rostered onto two patrol teams; and
- a big thanks to Leon Dunstan, Raoul Somers and Adam Bruhn, completing over 100 hours each and offering assistance at any opportunity they could get.

With the youthful tide creating a surging culture upon the Tugun shores, I hope everyone is as pumped as I am for the future of Lifesaving at Tugun. I look forward to seeing you all on the beach next season.

**Tom Schneider**

## Education Report

The 2022/23 season was another busy year in terms of delivering essential training to our Tugun members. Over this season the training group of Roger Dibden and myself, with exceptional administrative assistance from Sharon Phillips, delivered **5** Skills Maintenance courses, **3** Surf Rescue Certificate courses and **2** Bronze courses, all with a 100 percent success rate. It was also great to see our nipper parents take the opportunity to gain an SRC award as part of the Nipper water safety program and for some to take the step to becoming patrolling members.

Overall, the number of Tugun members completing each award were:

Skills Maintenance:	192
Surf Rescue Certificate:	24
Bronze Medallion:	15
IRB Crew:	3
ART:	4

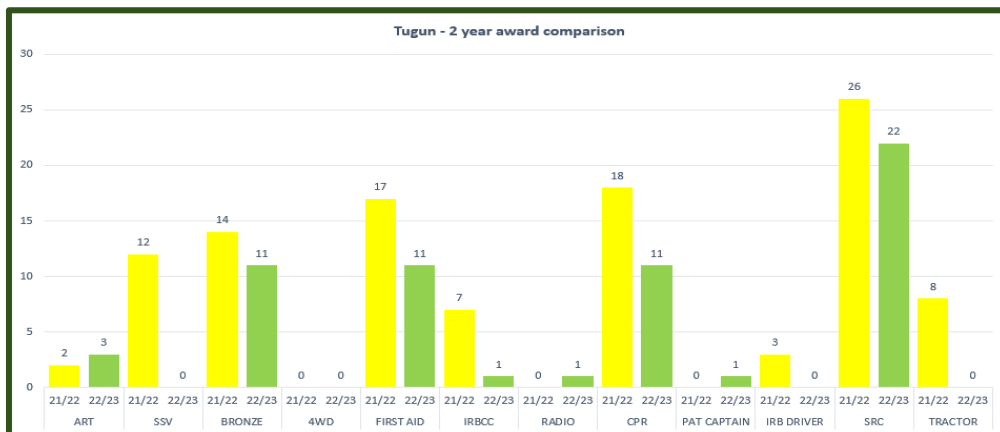

This season Sharon was again instrumental in ensuring the essential administrative aspects of running each course are met and her future inputs will be sorely missed in the coming season. Unknown to many, Sharon also spends considerable time preparing submissions to various granting bodies for funding support for essential Club equipment. Through Sharon's

efforts, the Club received funding for three new rescue boards dedicated to training and have recently received funding to purchase new resuscitation manikins.

With much of the training undertaken by our small team, Tugun members are often willing to provide much valued assistance when they have time available or want to re-visit some of their patrolling skills. Special thanks goes to Leon Dunstan, Melinda-Jane Tolvey, Adam Bruhn and Dan Ware for assistance with the SRC and Bronze courses, particularly in recruiting Nipper parents for the SRC.

While the team is looking forward to commencing a new round of SRC and Bronze courses in the coming season, I would encourage any of our members with an interest in becoming a trainer to get in contact. You will be a much-needed asset to our small, aging but dedicated team.

**Ian Phillips**  
**Chief Training Officer**

## Director of Surf Sports Report

---

2022–23 has unquestionably been the most successful season in the previous ten years! Thank you for an incredible season, members, competitors, parents, water safety, first aiders, officials, and volunteers. Being a volunteer organisation, we rely largely on your assistance and selfless dedication to growing our club and supporting its members.

It was lovely to get back to some semblance of normality in the 2022–23 season and focus on consistent training and carnivals. Once again, the season kicked off to a busy start with the hosting of the Oceans 38 and the Kellogg's Nutri-Grain trials, which once again demonstrated what an incredible support crew we have in place. Then, Inter-Branch, Branch, and the State Titles at Mooloolaba Beach followed.

Throughout the season, there were several incredible results, not only that produced medals, but rather personal goals and accomplishments over the previous season. Ziah Peisker winning the U17 ski and backing up and joining Ryan Muggeridge and Jake French to win the men's U17 ski relay was an amazing effort, and bronze in the women's U17 beach relay were standout performances from the State Titles. The Aussies at Scarborough Beach in Western Australia produced thrilling results, with Milla Seaton winning the U13 female board race and Grace Hughes taking first place in the U14 Ironwoman and 3<sup>rd</sup> in the U14 Female Board Race, following in her sisters – Allie shoes to repeat such a win. Team outcomes are a reflection of the club, and the men's U17 board and ski relays showed a lot of heart to win a bronze and silver respectively in both events after nail-biting finishes.

Alongside Head Coach Kelly Margetts, ex - Olympian and ski coach Jordan Wood joined the coaching staff. I remember Jordan joining his parents at carnivals many years ago as a baby and we are so very grateful to have his experience at the club and now sharing it with his own growing family. Again, we kicked off training in June 2022 building board and ski skills with the U14 and U15 members, while the senior crew began banking their preseason kilometres. Pre-season workouts are crucial because they provide the groundwork for a successful season by promoting endurance, skill development, and the prevention of injuries. I want to thank coach Kelly once more for another fantastic season and for taking the initiative to start a month earlier than usual. I believe it paid off once the competition program got going. Kelly's passion for those he coaches is evident and he demonstrates that being a coach also involves being a mentor which he blends beautifully.

It can't go without mentioning our club admin Sharon Phillips who tirelessly goes over and above what her role is and sees all competitors, with the help of Jane Dillion, entered, organised and up to date. Our team manager, Karl Muggeridge also deserves and massive thank you for taking on the role to not only to support the athletes but keep them motivated, on the line on time and believing anything is possible.

Callum Taylor got right into the swing of things with his new position of Head Beach Coach while also assisting with off-season strength and gym work, which undoubtedly played a huge part as the season progressed to the crucial point where the results counted. The track and beach sessions were well-attended, and both the seniors' and the juniors' performances in the beach competitions broke long-standing records. Lily Alford was chosen to represent QLD at the interstate titles in the beach events being the sole representee of the club. Lily alongside Amy Cronk and Lily McClure were forces to be reckoned with over the season in both the U17 female flags and beach sprints all claiming valuable points for the club's overall point score. Watching talent meet skill and intensive training in this environment is exciting!

Bendigo Bank recently awarded us a grant of \$5000, which we will utilise to buy some new racing mals. These will be invaluable and help our competitors throughout the season with hiring arrangements as the number of junior and senior athletes grows. Sponsorship is an important key area the Club is hoping to expand

as our numbers of competitors also increase – Thankyou to Megan Calliste, Jane Dillion and Kristy Randall for your assistance with fund raising opportunities.

Our Boat Section has been on the rebuild this season and many thanks to David Mitchell for your efforts with this and coordination of the Boats Section Golf Day. This major fund raising continues to get bigger and bigger every year.

Finally, a big thank you to all of our officials, water safety, and IRB volunteers who give their time to carnivals all year long so that our athletes can compete. Without a doubt, this requires time away from their own families and obligations, but to be honest, the athletes could not compete without your support. The Tugun team is undeniably experiencing a comeback and has some ambitious intentions for the upcoming season. It's an exciting time, but it requires the effort of the entire club, and we are only powerful when we work together.

Enjoy the off-season; I know many of you are itching to start your training, and I can't wait to see what the 2022–23 season has in store for us.

**Karla James**

---

## Head Water Coach Report

---

Season 22/23 started in June focusing on technique with another large group of youth entering the senior squad, which increased our training numbers to the largest Tugun has seen for many years. While this new group of U14s fine-tuned their skills and technique, the rest of the squad worked on a strength and endurance base, and we all set our goals high for the coming season. With the momentum of last season carrying us forward and the evolution of our program continued, the energy around the surf sports squad was high.

Our program was bolstered by the inclusion of Jordan Wood as our ski coach. Jordan is an Olympic Kayak paddler with a wealth of knowledge and experience, which is invaluable for our young developing ski squad. With all this positive energy around our whole squad, it attracted back to training some of our past senior squad. Tom, Joe, and Ethan came back to join the experience of Sam, Rhyam, Owen, Joel, and Geoff, who have also helped guide and push all our athletes, as they trained hard to reach their goals.

With Aussies in Perth this year and only taking a small squad, we had a strong focus on State Titles in Mooloolaba at the end of February. For us to get to that, it meant honing our skills and racing experience at our local Ocean 38, and making sure we were ready to race at the much more competitive Summer of Surf carnivals.

Tugun was well represented at all these carnivals with our team mixing it at the front of most races. This didn't go unnoticed with many comments on the beach of how impressive the growth and development of the whole team has been. The 2<sup>nd</sup> year U17s have really helped lead the way for the rest of the youth to look up to, as they pave the way forward for this next generation of Tugun athletes. This group was joined by our 1<sup>st</sup> year U17s that weren't going to be over shadowed, and together that whole group had an outstanding year, both individually and as a team. All the results are listed below, but here are some highlights:

- Jake winning the board at The Shannon Eckstein Classic.
- Ziah winning the ski at State.
- Ziah, Jake, and Ryan winning the ski relay at State and taking a silver at Aussies.
- Jake, Ryan, and Oli never saying die to take a bronze in the board relay in Perth.

The ever-consistent U15 girls trained hard this season and are a shining light for all the young girls below coming through our system. A couple of their highlights were:

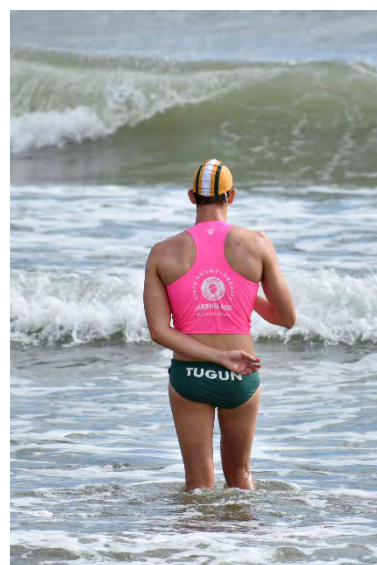

- Charlotte, Luna and Grace coming up from U14s to win the Under 15 Board Relay at State Titles.
- Tiki joining Charlotte, Luna, and Grace to get the silver in the surf teams at State and a bronze at Aussies.
- Grace taking the bronze in the board and beating the best of them all to win the U14 iron in Perth.

There were many more amazing achievements over the season at all levels, whether as small a personal goal or as large as standing on top of the dais, it has been a great season for all age groups. Individual results are a massive achievement and something that doesn't come easy, but getting results as a team is something so special. So, everyone reading this please know you are part of this team; from being a parent, to a committee member, to being on patrol while we compete, to a fellow athlete pushing one another at training, to an age manager; whatever role you've played in the season 22/23, it is something to be proud of for all of Team Tugun.

I know I am very proud to be part of this group as they develop as athletes and young adults.

### Kelly Margetts

---

## Beach Coach Report

---

I would firstly like to thank everyone at Tugun SLSC for welcoming me so warmly into the club. It was apparent right from the start of my tenure here that I was with like-minded people who were striving to create something special.

My role is working with both the Senior and Junior club members. We started in the off season by introducing a strength conditioning program in the club gym. We ran three sessions a week of circuits with up to 25 participants. These sessions evolved into specific strength and power sessions as the season progressed.

Sprint training sessions were held on the local grass oval and beach sessions at the club (if we had sand). These sessions were designed to develop speed and speed endurance. Plus specific event training for flags and relays.

Training numbers were excellent with lots of kids and parents getting themselves involved.

We had good numbers at our carnivals and really felt like we had a strong competitive presence both domestically and at State and Aussies.

We had some outstanding individuals that will only continue to get better with another year of growth and training development. We also had some great team athletes who stepped up when asked and helped Tugun to achieve some really awesome results in relays.

Aussies saw a small team take part due to location in Perth. The team found the super soft sand a real challenge. But still managed to be right in the thick of it.

All in all it was a really satisfying foundation year for the beach. Aspirations and goals for the next season are certainly higher going forward. I have every confidence in our program and where it is heading.

**Thank you  
Callum Taylor**

---

## Surf Boat Report

---

The 2022-2023 Season will go down as one of Tugun's wake up calls in the history of the surf club Boat Section. This past season saw our boat section reduced to only one boat crew and realizing our upcoming predicament we the boat panel started chasing rowers & sweeps. We had a few come to *Our Come Along* and try days with mixed results, unfortunately in the end we left it too late and missed the boat as they say.

I am happy to say that we have already begun searching to rebuild our section for next season and at the time of writing this report we already have a new sweep join our Club, a reserve grade crew already in training and a junior Crew looking to start training soon . We hope to build on this in the near future.

I wish to congratulate our one crew for flying the flag for Tugun, which consisted of John, Coey, Julius, Richard & Brett. You did a great job guys. Our 3<sup>rd</sup> Annual Golf Day was held at the Tweed Heads-Coolangatta Golf Club in February which is one of our major fundraisers. I would like to thank all members who participated and our sponsors for making this another successful Golf day.

I would like to thank our Boat Panel of Brett, Stan, Bucko, Gavin (Snags), Sandbar (when around) and Jason for your continued fundraising efforts for when we do get back to a formable section, we will have the funds to be near fully self-funded.

To Sharon and the Board, thank you for your help and support throughout the season.

**Dave Mitchell**  
Boat Captain

## Director of Junior Activities Report

---

This season brought in a new Juniors Activities Committee and I would firstly like to thank the efforts of Dan Ware, Dave Portas, Jane Dunstan and Jess Baxter, without their behind the scenes dedication the Tugun Nipper season would be a shadow of what was achieved. The introduction of the new Team App for all general correspondence and communication was met with some scepticism, but it ended up being an invaluable tool for the greater group.

The support shown from our Senior Board, Supporters Committee and administration has been most welcomed and the Tugun Club currently has a sense of unity and togetherness of one club, which can only be more beneficial for future years.

Water Safety is paramount at Nippers and it was fantastic to see some of our parents/guardian achieve their SRC. I hope that next season they will further upgrade their skills with a Bronze Medallion and become patrolling members.

Our Age Managers again proved to be invaluable with their dedication shown at carnivals and care to their greater groups every Sunday. There were the usual suspects herding the masses but we also had a few first timers in under 7, 8, 9 and 11s that volunteered their time and patience to assist in teaching the kids the importance of surf awareness and safety.

A shout out to Emma Mannion, Bec Butwell, Tomoko Ware and Emma Whitlock that ran the canteen and uniform shop. These areas are a

massive source of financial support to the nipper program and without these members volunteering their time we would not be able to afford such items as boards or team clothing.

Our nipper captains Grace Hughes and Fletcher Bruhn were excellent role models for this season. They were encouraging the younger age groups at carnivals, assisting Age Managers and speaking at special events. The JAC wish them all the best as they now move from the Nippers into the Seniors.

This past season we also saw the introduction of paid coaches to further enhance our athlete's abilities and to create confidence in our younger groups.

The same training platform for our water section was kept with our junior water coach Murray Seaton leading our more advanced and committed athletes with their paddling, surf swimming and transitions. Intermediate paddlers being guided and conditioned with Jayda Hughes and Georgia Seaton. Joelle Bruhn and Petria Flint encouraged and taught the basics of paddling to our newer and younger nippers. This is a tried and tested format that we have had in place for several years now and again this season producing outstanding results with Milla Seaton becoming the U13 Australian female board champion.

Kelly Margetts, our senior water section coach, took under his wing the U14s again this past season as they transitioned from the shorter

nipper boards to the racing mals. Kelly's dedication to technique and fitness was also rewarded with Grace Hughes winning at Aussies in the U14 female iron race.

We welcomed Callum Taylor (and his family) to the Club as our new beach coach. Callum came with high expectations and he delivered. Callum and his family embraced the Tugun culture and the kids in turn embraced Callum's training techniques and thrived under his dedication to his role.

Trying to piece together, all of the excellent efforts and achievements throughout the season has been a task in itself. The Club had success winning at Branch again this year, edging out our rivals from up the road.

After the disappointment of last season's Youth State Titles being cancelled due to the floods, it was a satisfying feeling to have the kids be able to display all their hard work and dedication at the State Champs this year. All that wore the Tugun cap did us proud and in some very calm conditions achieved tremendous results, with our club finishing 6<sup>th</sup> overall.

Thank you to all those that officialled, were water safety or sat in the IRB at the carnivals, without you the kids would not be able to compete. It really does take everyone to do their bit in order for a child to achieve the most that they can out of the nipper experience.

The success of the Club, is not only measured on the amount of medals we win but also in the satisfaction of our entire Nipper group. Participating with the younger groups as they learn new life skills and witnessing the enjoyment of the kids being in and around the water in a safe environment is what the committee judges our season success upon.

To all those that came along and participated in our end of season catch up and feedback night, thank you for the effort. It was a great night with real valued conversations that the JAC have already begun structuring our 23/24 season around.

I look forward to, with the help from you all, to another Tugun Nipper season.

**Thank you  
Adam Bruhn**

---

## Junior Treasurer Report

---

Tugun Nippers faced new challenges in the season past on several different fronts. The club welcomed the arrival of Callum Taylor, a dedicated beach sprint coach, to develop the strength and skills of all the kids who chose to take on his land-based training sessions. Due to Callum's coaching sessions being tailored to both our Senior and Junior competitors, a cost share arrangement was entered into between the Senior section & the Nippers for his services. In the spirit of inclusiveness and after years of benefiting from volunteer coaches, the Nipper Committee decided to remunerate the coaches in the Junior water section across the various training groups being directed under Head Coach Murray Seaton. These additional costs meant we needed to find new ways of raising funds but alas, time was not our friend with a shortened season due to Aussies being held in W.A.

As always, the Canteen and BBQ provided a sizeable part of our income base, and many thanks must go to Emma Mannion and Bec Butwell for managing the operation throughout the season. Thank you also to the many volunteers who dedicated their time on a Nipper Sunday at the Canteen and BBQ, to raise some funds and create the spirit of community.

We were fortunate to welcome on board as a sponsor Ray White Tugun/Elanora for the Tugun Lights Up fundraiser who kindly covered our costs for the event. Tugun Nippers would also like to acknowledge the generous contributions from our other sponsors or donors namely – Ingwersen & Lansdowne Solicitors, Oska Hydraulic Consultancy, Bendigo Bank Tugun, Semi-Trailer Rentals Qld, Tugun Surf Club Supporters Association and Mavern dental for the donation of a new marquee.

The 22/23 season result was a cash deficit of around \$15,000. As a committee we are confident that we will be able to seek out future sponsors for our Nippers program and new ways of raising funds. Thank you to all the members

who supported the program this past season in the many and varied roles we all play and the community we all help to create.

## Junior Water Coach Report

---

The season started again with our annual training camp at Tally and from the outset, I had the feeling something special was brewing. The whole squad, including the Youth age groups (15-17) really turned up the intensity. They were all extremely focused and trained hard but the most pleasing aspect was that they all bonded well, friendships were made and the team spirit was once again, alive and well.

The training squads this season were set up the same as previous seasons, with Joelle Bruhn and Petria Flint taking the Beginner squad and once again having consistent numbers to her weekly training sessions. The intermediate squad had two new coaches this season, with Jayda Hughes and Georgie Seaton (both former Tugun nippers and competition squad members) taking over the coaching role and doing a great job. This squad is the stepping stone to the Competition squad and the coaching appointment proved to be successful.

For the Competition squad, the season was long and we trialed some new sessions and progressed with the tried and tested program. As a squad, we achieved many goals and also tasted some defeats, which had many stepping up to learn from and turn into positive outcomes and increased confidence. This is an extremely important part of the learning curve in surf, and something I try to encourage as much as possible. ***Always keep learning to improve!***

After 7 seasons as the Junior water coach, I have decided to step down from the role. I feel its time to hand it onto some else to continue the JAC vision and I wish the new incoming coach all the success that the role can offer. I truly have enjoyed my time and will always keep a keen eye on wha'ts going on in the junior section. I am proud of the bridge that has been built between the junior and senior water sections, to allow our kids a pathway to stay in the Tugun colours and follow their older club mates and experience what the senior club has to offer.

A big thank you to our senior water coach Kelly Margetts, for everything he contributes and the vision he has and to everyone who assisted me with water safety over the years.

## Tugun Investment Trust Report

---

This year we had a change in directors for Tugun SLSC Investments Pty Ltd, which is the trustee for the Tugun SLSC Investment Trust. Dave Mitchell stood down, following his election as Deputy President of the Supporters Club to ensure that the Trust maintains its independence from both the Surf Club and the Supporters Club. Dave has been a director for much of the time since the Trust's inception and a key driver in the Trust's activities. The initial investment in 2012 was \$264,000, and over the ensuing ten years this had grown to an asset value of \$809,978 on the balance sheet. The club truly owes Dave a debt of gratitude for his leadership and work for the Trust.

With Dave's departure, Craig Williams was appointed as his replacement. Being directors of a Pty Ltd company, the directors need to be registered with, and meet the ASIC standards, which now includes having a directors ID. Craig as a professional director and a Graduate Member of the Australian Institute of Company Directors undertook a process of due diligence prior to accepting the position. As a result, club members can be assured that the Trust is financially sound and meeting its fiduciary requirements. Not only that, the club can be confident it is fulfilling the desired outcome that was sort when established, in that;

1. It has maintained the asset that the club realised from the sale of the original Coolangatta Road Flats.
2. It has made prudent investments in order to grow that asset, to help guarantee the financial future of the Tugun SLSC.

This year the Trust had a record income of **\$63,635** and increased its total assets to **\$850,051**.

**Craig Williams, Arthur Anderson and Peter Hall**

---

## Building Officer Report

---

We have had another busy year of carnivals hosted by the Club, which kicked off with a last minute move of the Qld State Endurance Championships to Tugun, followed by the Oceans 38, SLSA Nutrigrain Trials and a surfboat carnival in December. A huge thank you to Greg Hamilton, Brett Beutel and Leon Dunstan for leading the way and driving the Club tractor and ute. To everyone that put their hand up to help out with the work force, thank you!

I take this opportunity to sincerely thank all of the following for your help and support throughout the season:

- Our IRB crews for helping out at carnivals, your support is important to our success, and we couldn't do it without you;
- Pete (Sandbar) White for fixing up the fencing around the rear courtyard and coordinating the top layering of the lawn out the front of Club. Sandbar (with help from Stan) has also been working hard to update the balustrades in the fire stairwells, to meeting building requirements;
- Leon for all the painting and maintenance work he has been undertaking around the gym in his spare time – he is very handy with a paintbrush;
- The first aid aid room has been re-organised and looks great thanks to Leon and Lyn Sarquis;
- Leon... there is that name again, for setting up the patrol shelter on the beach most weekend mornings for the start of the incoming patrols; and
- Lastly, Hugo-Roderick Tolvay and Geoff Wright for another season of coordinating and providing IRB support.

Thank you to all our gym users for replacing the weights and putting everything back where it belongs. To Jean our amazing Club Cleaner we thank you and she really appreciates it when the equipment has been put away in the gym. It makes her job so much easier!

I extend my personal thanks to Rooster for helping me with all the general cleaning and maintenance around the Club and boat shed.

See you on the beach

**Robert (Hoddy) Hodgson**

### **Murray Seaton**

The Club was pleased to present Murray with Life Membership at the 2021/22 Annual General Meeting. Murray continues a proud family legacy of involvement with Tugun SLSC. He joined the Club as a nipper in 1981 and went on to excel as a surf sports competitor in both the water and IRB's. For many years, he was the Club's IRB Captain and led his IRB crews to much success in competition. Murray has even been part of a state medal winning boat crew. In more recent years, Murray received the Club Green Blazer Award in 2010 and has been recognised at a community level by being a recipient of the MacPherson Lifesaving Community Award. Murray continues to patrol and is currently a Patrol Captain. He has been passionate about the development of our nippers and was the Director of Junior Activities from 2017 – 2022. Not only has he taken on the role of Senior Water Coach in years past, more recently he has been the Head Coach for our juniors. On behalf of the Club, we congratulate Murray on everything he has achieved and look forward to his continued involvement with the Club.

**TUGUN  
SURF LIFE SAVING CLUB INC**

**IA 944  
CP 1423  
ABN 23 531 283 216**

**FINANCIAL REPORT  
FOR THE YEAR ENDED  
30 APRIL 2023**

**TUGUN SURF LIFE SAVING CLUB INC**  
**IA 944 CP 1423 ABN 23 531 283 216**  
**COMMITTEE'S REPORT**

Your committee members present this financial report on the Tugun Surf Life Saving Club Inc for the financial year ended 30 April 2023.

**Committee Members**

The names of each person who has been a committee member during the year and to the date of this report are:

President	Brett Beutel
Secretary	Greg Hamilton (appointed 11 July 2022)
Secretary	Renee Hogben (held office until 03 July 2022)
Treasurer	Jason Smith
Director of Junior Activities	Adam Bruhn (appointed 13 March 2023)
Director of Junior Activities	Dan Ware (elected 03 July 2022, resigned 20 February 2023)
Director of Junior Activities	Murray Seaton (held office until 03 July 2022)
Director of Life Saving	Thomas Schneider
Director of Surf Sports	Karla James
Director of Supporters Club	Anthony Buckingham (held office until 12 September 2022)

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

**Principal Activities**

Promote, advance and control the work of surf life saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere, and to fulfill any charter of the Charity including its environment and community education commitments.

**Significant Changes**

No significant change in the nature of these activities occurred during the year.

**Operating Result**

The surplus amounted to \$121,187.15 (2022: surplus of \$77,293.65). The Charity is exempt from income tax and is endorsed by the Australian Taxation Office (ATO) as a Deductible Gift Recipient (DGR) and as a Public Benevolent Institution (PBI).

The financial statements were authorised for issue on the same date as this report by the committee members of the Charity.

This committee's report is signed in accordance with a resolution of the committee members.

President   
**Brett Beutel**

Secretary   
**Greg Hamilton**

Dated this 12th day of June 2023

**TUGUN SURF LIFE SAVING CLUB INC**  
**IA 944 CP 1423 ABN 23 531 283 216**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2023**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Corporate Information**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). The committee has determined that the Charity is not a reporting entity.

**Basis of Preparation**

The financial statements are for the Tugun Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. The Tugun Surf Life Saving Club Inc is an association incorporated in Queensland under the *Associations Incorporation Act 1981* (Qld) and is registered as a charity under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following Australian accounting standards have been applied in the preparation of these financial statements:

- AASB 101 - Presentation of Financial Statements
- AASB 107 - Statement of Cash Flows
- AASB 108 - Accounting Policies, Changes in Accounting Estimates and Errors
- AASB 1048 - Interpretation of Standards
- AASB 1054 - Australian Additional Disclosures

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

**Accounting Policies**

**a. Income Tax**

No provision for income tax has been raised as the Charity is exempt from income tax under Section 50-10 of the *Income Tax Assessment Act 1997* (Cth). Tugun Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office (ATO) to receive tax concessions. Further, Tugun Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

**b. Comparative Figures**

When required by these accounting policies, comparative figures have been adjusted to conform with changes in presentation for the current financial year. When required, comparative information is reclassified where appropriate to enhance comparability.

**c. Economic Dependence**

Tugun Surf Life Saving Club Inc is dependent on lease income and donations from the Tugun Surf Life Saving Supporters Association Inc for funds used to meet its financial commitments. At the date of this report the committee members have no reason to believe the Tugun Surf Life Saving Supporters Association Inc will not continue to honour the lease agreement and the donations agreement.

**d. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the ATO.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2023**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**e. Critical Accounting Estimates and Judgments**

The committee of management evaluate estimates and judgments in the financial report based on historical knowledge and best available information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Charity.

***Key estimates***

The estimate of the useful life of leasehold improvements, plant and equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered during the year or during preparation of this financial report.

***Key judgments***

The methods of depreciation are used to provide a consistent usage of the useful life of leasehold improvements, plant and equipment. The methods also allow, where required, for the leasehold improvements, plant and equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the committee of management.

**f. Contributions**

If and when Tugun Surf Life Saving Club Inc receives non-reciprocal contributions from the government or other parties for nothing or a nominal value the contributions would be recognised at the fair value on the date of acquisition upon which time an asset is taken up in the Statement of Financial Position and revenue in the Statement of Profit or Loss and Other Comprehensive Income.

**g. Revenue**

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Grant revenue is recognised in the Statement of Profit or Loss and Other Comprehensive Income when the Charity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Charity and the amount of the grant can be measured reliably.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

**h. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less, and bank overdrafts.

**i. Trade and Other Receivables**

Trade and other receivables include amounts due from members as well as amounts receivable from other entities. Receivables expected to be collected within twelve months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**j. Inventories**

Inventories are measured at the lower of cost and net realisable value.

**TUGUN SURF LIFE SAVING CLUB INC**  
**IA 944 CP 1423 ABN 23 531 283 216**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2023**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**k. Property, Plant and Equipment**

Each class of leasehold improvements, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and impairment losses.

***Leasehold improvements, plant and equipment***

Leasehold improvements, plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of leasehold improvements, plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1n for details of impairment).

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

***Depreciation***

The depreciable amount of leasehold improvements, plant and equipment is depreciated on a straight line basis over the asset's useful life to the Charity commencing from the time the asset is held ready for use. The rates used for each class of depreciable assets are:

<b><u>Class of Fixed Asset</u></b>	<b><u>Depreciation Rate &amp; Method</u></b>	
Leasehold improvements (Clubhouse building)	2.50%	Prime Rate
Leasehold improvements (Clubhouse additions)	2.50% - 10.00%	Prime Rate
Plant and equipment	6.67% - 25.00%	Prime Rate
Motor vehicles	15.00%	Prime Rate

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

**I. Employee Benefits**

***Retirement benefit obligations - superannuation benefits***

All employees of the Charity receive defined contribution superannuation entitlements, for which the Charity pays the fixed superannuation guarantee contribution (currently 10.5% [11.0% from 01 July 2023] of the employee's average ordinary salary) to the employee's superannuation fund of choice. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are recognised as trade and other payables under current liabilities in the Charity's Statement of Financial Position.

***Short-term employee benefits***

Provision is made for the Charity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and long service leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The Charity's obligations for short-term employee benefits are recognised as trade and other payables under current liabilities in the Statement of Financial Position.

**TUGUN SURF LIFE SAVING CLUB INC**  
**IA 944 CP 1423 ABN 23 531 283 216**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2023**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**I. Employee Benefits (continued)**

***Long-term employee benefits***

The Charity only classifies employees' long service leave entitlements as long-term employee benefits as they are not expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. Provision is made for the Charity's obligation for long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The Charity's obligations for long-term employee benefits are recognised as provisions under non-current liabilities in its Statement of Financial Position, except where the Charity does not have an unconditional right to defer settlement for at least twelve months after the end of the reporting period, in which case the obligations are recognised as trade and other payables under current liabilities in the Statement of Financial Position.

**m. Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the Charity during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

**n. Impairment of Assets**

At the end of each reporting period, the committee members assess whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the committee members estimate the recoverable amount of the cash-generating unit to which the asset belongs.

**o. Leases**

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

**NOTE 20: EVENTS AFTER THE REPORTING DATE**

No events have occurred subsequent to reporting date which require disclosure in this report.

**TUGUN SURF LIFE SAVING CLUB INC**  
**IA 944 CP 1423 ABN 23 531 283 216**  
**DECLARATION BY MEMBERS OF THE COMMITTEE**

The members of the committee declare that the financial report, comprising of Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Charity's Funds, Statement of Financial Position, Statement of Cash Flows and Notes to the Financial Statements:

1. Presents a true and fair view of the financial position of Tugun Surf Life Saving Club Inc as at 30 April 2023 and its performance for the year ended on that date in accordance with the accounting policies as described in Note 1 to the financial statements.
2. At the date of this statement, there are reasonable grounds to believe that Tugun Surf Life Saving Club Inc will be able to pay all of its debts as and when they become due and payable.
3. The financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

This declaration is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President   
**Brett Beutel**

Treasurer   
**Jason Smith**

**Report on the Audit of the Financial Report**

***Opinion***

We have audited the accompanying financial report of Tugun Surf Life Saving Club Inc (the Charity), which comprises the Statement of Financial Position as at 30 April 2023 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Charity's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information and the Declaration by Members of the Committee.

In our opinion, the accompanying financial report of Tugun Surf Life Saving Club Inc is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) including:

- i. giving a true and fair view of the Charity's financial position as at 30 April 2023 and of its financial performance for the year then ended; and
- ii. complying with Australian Accounting Standards to the extent described in Note 1.

***Basis for Opinion***

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Charity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter***

Our opinion is not modified in respect to the following matters:

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Charity's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). As a result, the financial report may not be suitable for another purpose.

(continued)**

***Information Other than the Financial Report and Auditor's Report Thereon***

The Committee of the Charity is responsible for the other information. The other information comprises the information included in the Charity's annual report for the year ended 30 April 2023, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

***Responsibilities of the Committee for the Financial Report***

The Committee of the Charity is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and is appropriate to meet the needs of the members.

The Committee's responsibility also includes such internal control as the Committee Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the ability of the Charity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

***Auditor's Responsibilities for the Audit of the Financial Report***

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charity's internal control.

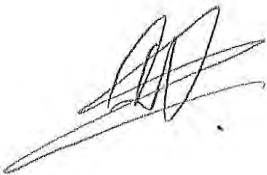

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
TUGUN SURF LIFE SAVING CLUB INC  
IA 944 CP 1423 ABN 23 531 283 216  
(continued)**

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charity to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
