~ PRESIDENT'S REPORT ~

As the sun sets on another season, it is time to look back on all that we have achieved. We have again kept the beach safe and filled our duties as a Club with patrols managing to put 12 teams on the beach. It is a great effort to all the members that did patrols, thank you because without you, all this wouldn't happen. This is what the Club foundations are built on. Tom Schneider guiding us on the beach with patrols thank you.

The Club has again moved forward on the competition front under the guidance of Club Coach Kelly Margetts and Sam Hamilton running the ski program. The competitors showed great commitment to apply themselves to the program set by the coach and slowly we are emerging as competitive in all aspects on the water and next year with the implementation of a beach program under a new beach coach, things are looking great to fill this spot that has been missing for a time now. Karla James has helped slowly formulate the surf sports program with the help of the coach and Murray Seaton, these people are driving surf sport at Tugun, thank you.

The boat section performed solidly again week in week out but were struck down on numerous occasions by COVID at really vital times of the season, thus causing a crew to not finish out the season and another coming unstuck with patrol hours leaving the stalwarts, the old fellas performing pretty consistent again. The senior open women's crew led the way again in the open ranks performing with great courage throughout the season, none better than the Aussies in very testing conditions. To the sweeps, the boat panel and helpers thank you.

To our nippers, who yet again carried the Club flag with great distinction under the leadership of Murray Seaton and his committee and the countless mums and dads who helped hold this great group together, thank you.

The competitive group in the nipper section was outstanding, posting so many great results throughout the season under coach Murray Seaton and his army of helpers, they have carried themselves so well. I find it hard to put it into words. The mother daughter pair within this group were the brightest light to us all, winning an Aussie gold, silver and bronze, outstanding Luna Piazza and mum Kelly. Great stuff and well done to all in this section and thank you.

We have had great success with securing many grants this year which allowed us to buy a new IRB, which was proudly named the Robert "Hoddy" Hodgson.

The purchase of a new ATV which was secured from SLSA after the Aussies. Off the back of this we were lucky enough to have the backing of a Supporter's Club with their surplus funds agreement which has again helped keep us running.

To my Board

- Renee Hogben, Secretary, who has put many hours in above and beyond to help put the Club in shape in more ways than one, thank you.
- Jason Smith, Treasurer, juggling the finances keeping us in a great financial position, thank you.
- Karla James, Surf Sports, great job done thank you.
- Tom Schneider, Director of Lifesaving, thanks for a great job done.
- Murray Seaton, JAC, thank you for the years committed to the Board. Enjoy your rest!
- Tony Buckingham, thank you for being our channel to the Supporters Club.

Last but not least, a big thank you to Sharon, our Club Admin for the hours you put in over and above that expected of her.

In closing I will leave you with this, the Club faces some issues that will need to be addressed with our building over the coming months that will put a strain on our finances so we will need to get behind this to help the Club come up to speed so we can look to renovations in the future.

To you all, thank you for making Tugun SLSC what it is.

Brett Beutel
President

~ SECRETARY REPORT ~

Congratulations and a huge thank you to every member of this Club for your dedication, participation and effort every season in ensuring the success of Tugun Surf Lifesaving Club. There are many volunteers within the Club and each and every one of you is an integral part to the success of Tugun SLSC.

I'd like to thank you all for your involvement, whether you are on the beach patrolling, working behind the scenes as part of the work force for carnivals, cooking the snags on the BBQ, training our new and current members to upskill their life saving skills on and off the water, every hour you give, is valued, and greatly appreciated.

To all the Tugun Nippers, we have nice new grass for you all to sit on. You are all an amazing section of this Club. I don't believe many Clubs in QLD, quite possibly Australia can boast about having completely financial independent Nippers. This is all due to the hard work of Murray, Clint, Joelle, Adam, Vanessa, Jolene, Brooke, and Brooke (apologies if I have missed any of you) and every other parent that has previously been on the Nipper committee in past years. This is an outstanding achievement that does not receive the acknowledgment they deserve.

The quiet achievers of this Club, those that always helping out without being asked. Geoff Wright, and John HC making sure the IRBs are in working order and always at the ready, Melinda-Jane and Christine who still put on the orange water safety and help Nippers even though it's been some years since their kids were a Nipper.

Hugo – Roderick, jumping in the Club Ute to help hitch up boats and drag them off the beach at the end of a carnival, not to mention all the other times this young man steps up and lends a hand. Matilda, taking on the role as an Age manager in Nippers. All of you are what Life saving is meant to be about!

It's great to be able to say that The Annual Tugun Classic Golf Day was again a great success. This event has built a great vibe and hype with many of the players returning

from last year or attending this year by word of mouth from last year's players. 2023 is already looking to be another great success. Thank you to the Supporter's Club for donating the food, and to Robyn for setting the room up perfectly.

I would also like to take the opportunity to thank the Supporters Club for generously donating the bar tab for the Club dinner, greatly appreciated and no doubt greatly enjoyed.

Dave (and Leona), your phone calls of support and checking in this year while you have been travelling has meant more than you know and is immensely cherished. To the other Board of directors, Murray, Jason, Karla, Tom, & Brett, thank you. Roger, Chris, Steve, and Geoff thank you for being great people to work with and to each of you for your support.

Lastly, thank you to our Club Administrator Sharon. Sharon puts in many, many hours keeping Tugun running efficiently, with the utmost professionalism. Your support for every Director on the Board and all members of the Club is exceptional.

I wish Tugun SLC the very best!

**Yours in lifesaving
Renee Hogben**

~ TREASURERS REPORT ~

The start of the 2021-22 season saw us emerge from COVID-19 restrictions and attempt to return to normal Club operations. Ongoing border closures provided challenges for many members attempting to resume patrols, training & other Club responsibilities. Regardless of the challenges, Club life slowly returned to normal thanks to the resilience of our members. For this dedication to Tugun SLSC, I sincerely thank you all for your efforts.

Despite the COVID-19 disruptions during the first half of the year, the Club has performed solidly, returning an operating surplus of **\$77,293.65** for the 2022 financial year (\$9,758.64 in 2021).

Special thanks for achieving this result must go to the following contributors:

- The Tugun Nippers – the contribution of revenues from BBQ, canteen & clothing operations continues to be impressive year on year. Thank you to all the parents & nippers that contribute so selflessly to this success.
- The Surf Club & Nipper sponsors: these members of the community continue to support us, ensuring our growth.
- SLSQ, SLSA, Federal Government, Queensland Government and Gold Coast City Council for providing grants & donations to enable us to continue Surf Life Saving operations.
- All the Raffle helpers – a sincere thank you to all the members that assisted with raffles and the members draw every Thursday throughout the year. I would seriously be overwhelmed without your support.

The Club acquired the following major acquisitions through 2021/22.

- A Can-Am ATV for patrol use.
- A Zodiac IRB – The 'Hoddy'.
- 3 x New BOS ski's for use by Club athletes.

The Club dedicated resources to resolve the ongoing issues with the leaky Club roof. This problem was exacerbated during the recent period of monsoon like weather & the seriousness of this issue was evident to all. Special thanks to everyone involved in the process to finally remedy this problem.

This was a large and complex job requiring ongoing effort to diagnose and rectify.

Progress with the building certification project stalled due to QLD border restrictions, as the GCCC chief certifier resides in Melbourne and was unavailable to attend QLD for extended periods throughout the year. The ongoing building certification is a key milestone in our effort to install the Club's elevators. This work will continue through 2022-23 with the assistance of industry professionals engaged to specifically identify the project scope and execute the required works.

Key revenue positives for the year:

- Surplus Funds & donations from the Supporters Club: \$134,068.
- Rent from the Supporters Club: \$118,788.
- Membership fees: \$56,770
- Nipper BBQ, canteen & clothing sales: \$51,941
- Government grants: \$49,561
- Club raffle revenue: \$33,872
- Carnival hosting: \$11,588

Operating expenses continue to be tightly monitored. The Club balance sheet remains stable with a Net Asset position of \$2.101 million and cash reserves of \$269,737. The included Financial Report for 2021-22 contains comprehensive detail of all Club financial activities.

Finally, thank you to the following people for their support throughout the 2021-22 season:

- Sharon Phillips for everything you do, you truly are invaluable to the Club.
- Ian Barfoot (Club Auditor) for his continued support & professionalism.
- Craig Williams for your ongoing efforts to assist Tugun develop & improve.
- Mark, Sue, staff & chefs of the Supporters Club, for providing patrol meals & supporting our weekly raffle fundraising efforts.
- The Supporters Club Committee for your ongoing support.
- All members of the Tugun SLSC Board for making the year such a success.

There is a really positive energy around Tugun at the moment. I look forward to seeing you all next season to see what can be achieved. Thank you all.

Jason Smith
Treasurer

~ DIRECTOR OF LIFESAVING ~

With the restrictions of COVID finally being lifted, the 2021-22 season has seen a change of tide that has given lifesaving at Tugun a breath of fresh air. But with that fresh air came one of the wettest seasons in the Club's history. Endless rain and cyclonic weather caused flash flooding across the entire eastern coast as well as rough seas that resulted in beach closures and ultimately a cancellation of the State Titles. None the less, our incredible patrolling members managed to weather the storm, completing over 5500 hours of service on the beach this year. I would like to take this opportunity to thank every one of these devoted members for volunteering their time, making our beach a safer place for everyone to enjoy.

To keep the boat afloat in a storm you need a great crew. But a great crew also needs someone to steer the ship. Which is why we have Patrol Captains. These Captains continue to lead by example, paving the path for the younger generation. I would like to extend my many thanks to these Patrol Captains for their valued leadership during the season.

Speaking of leadership, I would like to recognise and thank the Board of Directors for another year of their active involvement on and off the beach. I would like to thank our Treasurer and raffle powerhouse Jason Smith, our Secretary Renee Hogben and our Surf Sports Director Karla Gilbert, as well as our Nipper President Murray Seaton and our President Brett Beutel. And of course, thank you to our lovely Administrator Sharon Phillips. Seeing you all complete a considerable number of patrolling hours whilst putting in all the effort behind the scenes, really sets the standard for the rest of the Club. One of the most exciting things presently unfolding on the water's edge at Tugun, is the continuous growth

of youth members. With many young adolescents now settling in on Patrol, we have seen yet another influx of kids complete their bronze medallion and SRC courses. If we can continue to recognise the importance of the development of these youth, the future of Tugun will continue to look swell.

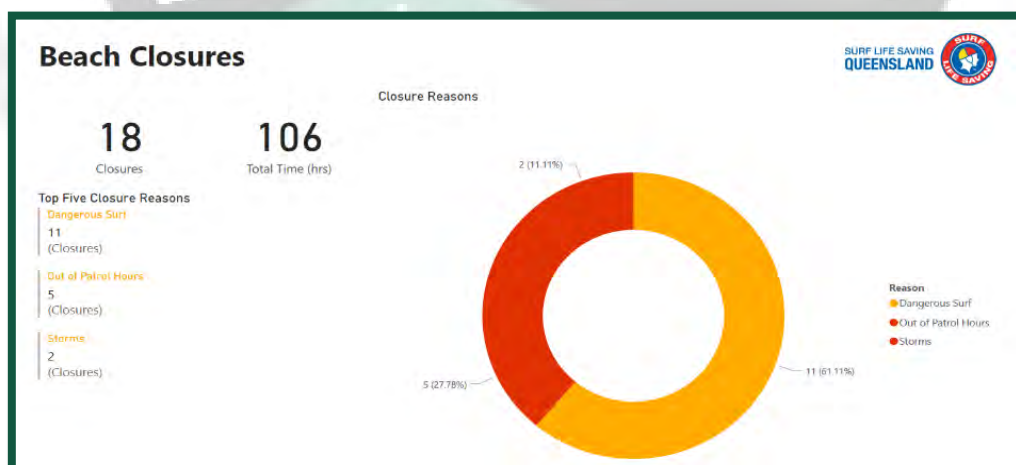

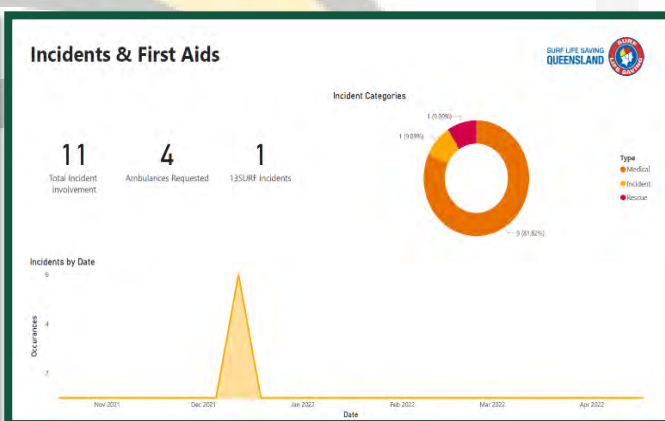

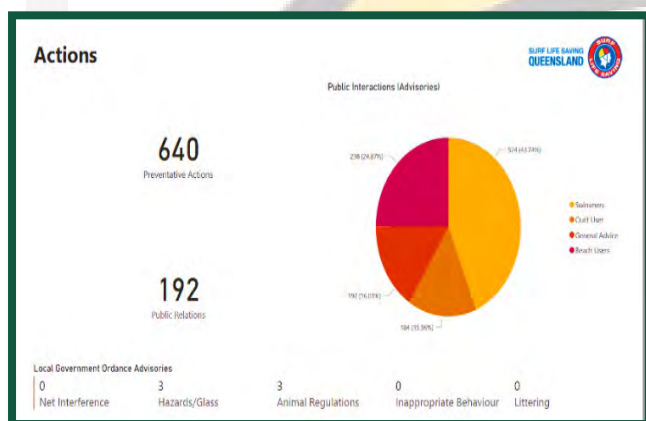

For this abundance of youth to evolve into the senior Club though, they must first be trained. Our qualified trainers go that one step further by dedicating even more time to proficiencies and courses throughout the season. I would like to thank our two main Trainers Chris Bindley and Ian Phillips as well as our First Aid and Chief Training Officer Roger Dibden, for their expertise and service this season. I'd also like to thank Geoff Wright for keeping a watchful eye on the IRB's.

There are numerous members that demonstrated excellent service this season, but I would like to give a special mention to the following. Firstly, a huge thanks to Damo Anderson completing a total of 112 hours and subbing in at every opportunity he could, Damo was easily the biggest stand out on Patrol this year. Also, I'd like to acknowledge Hugo-Roderick Tolva and Matilda Yates. Through development as youth, these two young adults have both grown into fantastic role models on the beach. Thank you to you both.

With the 100th anniversary of Tugun Surf Lifesaving Club fast approaching, I am sure I'm not the only one that is excited for the future of lifesaving at Tugun. Enjoy the off-season and I look forward to seeing you all on the beach next season.

~ EDUCATION REPORT ~

Another challenging year competing with COVID and extreme weather events impacting training and skills maintenance. The COVID protocols having a huge influence on how things could be conducted. Even with these restrictions I feel the team of Chris Bindley, Ian Phillips, Peter Tighe and myself managed to achieve an impressive number of awards and skills updates. This accomplishment could only be reached with Sharon's administration skills, determination and persistence. Processing the vital elements of membership status, blue cards and CYRM inductions was a big task, as a minority of members took an eternity to complete them even with constant reminders. Renee also helped out doing the sign in's for a couple proficiencies to relieve a bit of Sharon's workload.

Awards & Proficiencies 2021-22 season

Over the six Skills Maintenance days (Proficiencies) we managed to update following skills: BM - 155, SRC - 8, IRBC - 55, IRBD - 33 & ART - 24.

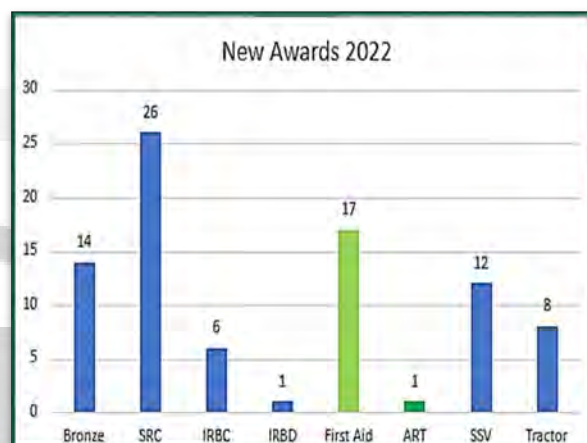

Some of the other awards included CPR and radio.

New Award Courses

The Club ran a bronze & SRC course over the winter months, which experienced delays in completing due to covid. The September school holiday camp saw another 6 Bronze Medallion candidates trained with the assistance of Bilinga SLSC. We also, offered our Nipper parents an opportunity to complete an SRC course in late October, increasing water safety numbers for Nippers. We were also able to offer an IRB Crew & Drivers courses later in the season.

Other courses run though Branch/SLSQ

The new First Aid course included the ever-changing

directives from Resuscitation Council. Also, the new Advanced Resuscitation course (ART) included changes to Oxygen delivery protocols and vital signs checks and devices to measure temperature, blood pressure, pulse and Oxygen saturation levels in the blood.

There were 17 members completing the Provide First Aid (HLTAID011) course and 1 member completed an ART course.

Early in the season Pt Danger Branch forwarded a request for donation of redundant lifesaving equipment for emerging lifesaving in India. We had 6 old Ambu manikins and associated equipment that has had little use in last few seasons available to donate. With space being a premium, the manikins not being used now or the foreseeable future it seemed to be a perfect opportunity to reinvigorate their intended purpose. So, with trainers and the Boards consent we sent this equipment to their new home in India. With a few modifications we now have space to house all of our current equipment in training room cupboards.

In addition to the trainers and Sharon I would like to thank some other people for their contribution in helping to achieve these results. They include Sam Hamilton for his assistance in training the September camp. For assistance with IRB training, Geoff Wright, John Huntley-Chipper, Leonard Randall, Greg Loubser-Goldblatt, Raoul Somers and Damien Daly giving candidates a good mix of driving skills. Also, Rachael at PDB for her constant unbiased support in a broad range of technical and procedural issues. As

well as Ella Kinneally at SLSQ for supporting our awards application and processing.

In closing I am sorry if I missed thanking someone, memory not what it used to be. It has been a challenging year, but I think we fared quite well compared to some of the other PDB Clubs. However, in saying that it has not been all doom and gloom, with some good times and achievements made.

One of the more notable challenging days was during the IRBC & IRBD course. With the Tsunami warning beaches being closed, having to get SLSQ permission to train in Currumbin creek. Along with finding transport to get there. On arriving and lunching craft already felt like a day's work. It ended up being one of the most successful days of courses training. The public on the river bank got to see different; it must have looked quite amusing. Watching Ruthy Lee (water manikin) being dumped into the creek and being left there. We would then do a circle around in the IRB and practice various patent pickups. As there were no waves full attention could be made to good retrieval technique. Finally thank you all for your support and help this year.

Yours in Surf Life Saving and the quest for knowledge, skills and empowerment.

Roger Dibden
Chief Training Officer
First Aid Officer

~ DIRECTOR OF SUPPORTERS CLUB ~

As the Supporters Club Director, I would like to congratulate the Directors of the Tugun Surf Club for the commitment that they make to the operation of Tugun Surf Lifesaving Club.

As we all know this has been a challenging year with COVID and the relevant protocols but have had another year of financial stability of the Supporters association. The Supporters Committee has, therefore, been able to direct surplus funds for the benefit of the Tugun Surf Lifesaving Club.

I must also thank the Supporters Committee and Mark Lassman, General Manager, and the staff for their efforts throughout this year.

I would also like to remind both incoming committees that our 100th year is fast approaching, and this shall be a great opportunity to bring the Surf Club and local community together.

Tony Buckingham
Supporters Club Director

~ DIRECTOR OF SURF SPORTS ~

What a season 2021-22 has been! It has certainly been a learn on the fly role for me, but I would like to thank all members, competitors, parents, water safety, first aiders, officials, and volunteers for a great season. We are a volunteer organisation and rely heavily on your help and self-less devotion in ensuring the cogs of the Club continually turn over.

The 2021-22 season was once again hit with setbacks and last-minute changes. I like to think we are becoming very resilient from these experiences but the support we give each other is what counts. It was a busy start to the season, hosting the Kellogg's Nutri-Grain Trials and Oceans 38 – showcasing again what an amazing workforce we have in place, then moving into Inter-Branch, Branch and the non-existent State Titles. There were some amazing results throughout the season – not only that resulted in medals, but personal goals and improvements made on the previous season. Standout moments were Allie Hughes taking the win the u 15 ironwoman at Bondi Beach Summer of Surf – something I hope she can build on again (injury and illness aside) for next season, Hunter Anderson claiming silver in the U13 Aussie 2km beach run, Luna Piazza taking gold in the U14's surfing just outdoing mum, Kelly with her silver and bronze in the 40-49 category and who can forget that unbelievable effort of Allie, Charlotte, Luna and Bella in the girls U15 Cameron Relay to take Aussie bronze.

Sam Hamilton joined the coaching team (officially) with the role of assistant coach alongside Head Coach Kelly Margetts. Ski paddling in the creek began

in August alongside the crew in the U14's learning Board paddling basics and technique. Ken Wallace ran an intense kayaking program which saw a lot of our u17's and U 15's take advantage early in the season. Pre-season training plays an important role and sets the foundations for a solid season – it helps in building strength, injury prevention, skill, technique, and endurance – thankyou to coach Kelly for taking it upon himself to start a month earlier than usual – I think it certainly paid off once the competition program ramped up.

Next season will see a committed Beach Coach join us at Tugun with Callum Taylor taking on the new role. Callum's list of coaching accomplishments is absolutely second to none and he will be running sessions from nippers through to seniors for those interesting in improving their beach sprinting, flag abilities and sprinting necessary for water events. Tugun has a strong history in beach events, so it is exciting to be bringing a focus back to this area.

Recently we have seen the purchase of 3 new adjustable BOS Club ski's with thanks to the Tugun SLSC Investment Trust Fund for agreeing to assist us on this. With the youth senior numbers growing these are going to be invaluable and aid our competitors throughout the season with hire arrangements.

The Boats this season battled border closures,

COVID, and poor conditions that prevented some racing. The **Open Women's Crew** this year consisted of Gen Kelly, Marianne Walker, Bec Newton and Kelissa Brockett with Sweep Bruce Zillman. The **180s Female Masters Crew** was Tileah McGowan, Marg Cargnoni, Renee Hogben and Belynda McNaughton with Sweep Bear. The **180s Male Masters Crew** was Michael Jones, Jason Mooney, David Round, and Brett Beutel with Sweep Stan Damro and last but not least, the **260s Male Masters Crew** was Richard Finney, Julius Czerny, Neil Coe and John McCarthy with Sweep Bear.

There was limited competition throughout the season due to Covid and rough conditions which resulted in many events being cancelled. Unfortunately, competition never really got started and the opportunity to compete was cut short.

Lastly and certainly not least, thank you to all our officials, water safety and IRB members who volunteer their time throughout the year at carnivals so our athletes can compete. No doubt this takes time away from their own family and commitments and to be honest the athletes would not have the ability to compete without your help so thank you, thank you thank you! The Tugun Club is certainly feeling a resurgence with some big plans for next season. It's an exciting time but it is a whole Club effort, and we are only strong when we are united.

Enjoy the cooler months and I can't wait to see what's in store for a bigger and better season in 2022-23.

Karla James
Director of Surf Sports

~ BOAT SECTION ~

Open Women's Surf Boat Crew

The Open Women's Crew this year consisted of Gen, Anne, Beck and Kelissa. Once again, the season this year began slowly due to interruptions and border lockdowns as a result of Covid. Undeterred the girls trained hard with Beck travelling from Brisbane three times a week which was a great effort. Special thanks to Brett Beutel and Stan Damro for their support with training of the crew throughout the season. Thank you Ross McPhillips for your ongoing support. Tony Buckingham must also be mentioned for his support in maintaining and having the boat ready for racing.

There was limited competition throughout the season due to Covid and rough conditions which resulted in many events being cancelled. Unfortunately, competition never really got started and the opportunity to compete was cut short. This was no more evident than at the Australian Surf Titles, held in April at North Kirra, when rough conditions in the first heat of competition resulted in our crew being disqualified. As a result of injury, the crew was no longer able to compete and competition was cancelled for the rest of that day. Two days later racing commenced and I thank Stan Damro for stepping up to sweep the crew when competition re-commenced. Unfortunately, the girls were eliminated and did not reach the finals.

Due to seriousness of the injury, I obtained at the Australian Surf Titles this season, I have been forced to make the difficult decision not to participate and compete in Surf Boat racing in the future. I wish to acknowledge and thank all the crews who I have swept and rowed with over the past 30 years. I have enjoyed my time, the challenges and the rewards including 4 gold medals and the opportunity to represent Australia on two occasions and well as representing Queensland on three occasions. I also wish to acknowledge the Tugun Surf Lifesaving Club and all those who have supported me and those who have taught me everything I know about Surf Boat racing over those years. I have loved the sport, made many great friends and have so many good memories.

Bruce Zillman
Sweep

Master's Surf Boat Crews

The masters section started strong looking to have three master's crews for the season:

- 260s male – Richard Finney, Julius Czerny, Neil Coe and John McCarthy with Sweep Bear
- 180s female -Tileah McGowan, Marg Cargnoni, Renee Hogben and Belynda McNaughton with Sweep Bear
- 180s male – Michael Jones, Jason Mooney, David Round, and Brett Beutel with Sweep Stan Damro

COVID and border closures, then injury prevented the master's women hitting the water in competition, after coping set back after set back, the decision in late January was made to call it quits. Both men's crews managed a few laps of the cans. For the 180s men, injury's hit a little harder, old war wounds reared their head and caused two of the 180s men out with old knee injuries flaring up, and the old short on patrol hours caught them by just half an hour preventing them from taking on Aussies. They gave it crack in two of the Navy series, only to be hit on our home beach break on the bow, ending the day with a roll over.

Unfortunately, the State Titles were again cancelled this year due to yet another major weather event for 2022.

The 260's Master Crew were hampered with poor conditions all season, often having their age group cancelled. They did make it to Aussies, in what were nautical and challenging conditions after the event was moved to Bilinga. In their first two heats, they were looking the goods to possibly make the podium. Sadly, in the third heat, they suffered a whack on the first bank causing a roll over with the sweep being hurt and forcing an end to their day. 2021/2022 wasn't the year for Boats at Tugun. It is a shame the Masters were hampered all season, as they were ready to have a successful season.

The three crews had great comradery between them, all chipping in to make sure their boat and equipment was ready. I also have to thank Renee for helping to train the master's men and also jumping in for the Open women when I wasn't available to sweep. Bucko always made sure the pumps and batteries were in top working order, thank you. The master women even scored a sponge sponsor from Tweed and Burleigh Car Wash

Brett Beutel
Sweep

~ HEAD COACH WATER SECTION ~

The 2021/2022 season started off filled with the excitement of watching the largest group of juniors entering the senior squad the Club has seen in a very long time. This is of course a direct result of Murray Seaton's hard work over the past 5 years building the nipper program. I am so grateful to be part of such a strong and developing youth focused Club. After finishing the 20/21 season on a high, the U15s and U17s returned raring to go and ready to take on the next challenge in surf sports – learning to paddle a surf ski. We were lucky enough to add Sam Hamilton, with all his experience and knowledge, as ski coach to lead the way.

With technique and skills being our focus over the season, the winter program was off and running. Open numbers were down, from past years, with our competitors getting to the age of marriages, mortgages, etc., but their support was always in the background. The forever young group of Sam, Rhyam, Joel, Sean and Geoff took up a pseudo-leadership role, acting as a constant guide as we set our sights on training hard, having fun, and working towards State & Aussie Titles.

Since our squad numbers were swelling, the enthusiasm at training was always high, and we worked hard toward each carnival. The local Ocean's 38s is always a good hit out & an opportunity for the youth to build racing skills & confidence. These carnivals proved successful, with all age groups and genders coming away with great results.

Competition always stepped up at the Summer of Surf, which was a good gauge for those who had set their goal on State & Aussie Titles. Some stand out performances were Luna Piazza racing up and making finals, Jake French and Oli Dillon both taking 3rd in the Board at the Shannon Eckstein Iron Classic, and Allie Hughes chasing her Iron dream and winning the North Bondi Surf Classic from behind in the dead flat. We also travelled to the Sunshine Coast for the Murphy Home Maroochydore Classic, where the U17 boys took on some huge seas and tough competition to walk away holding their heads high and doing the Tugun cap proud.

This season was not immune to disappointment, but instead of COVID being the cause, it was the weather. Leading to many carnivals affected, but none more so than our State Titles, both the Youth & Senior State Titles were cancelled due to major weather events. As a Coach, it's so hard to see all our athletes train so hard, put in so much time, set season goals, and not be able to compete at our largest targeted carnivals of the year. **But at least we got to go to Aussies!** The weather still had its hand in meddling with the location though, and the contest was moved to North Kirra, save for the masters being kept at Broadbeach, where our lone master competitor, Geoff Finter, was rewarded for all of his hard work this season making the final in the 50-55 single ski.

The Australian Titles is the pinnacle competition of our sport, which for the junior competitor can be a little overwhelming, but not for our crew. For any Tugun friend, family, or supporter watching these 12-, 13-, and 14-year boys & girls race such a huge program over two days was something to be proud of, both in their individual races and especially in the team races. The highlight was the last event of the weekend with Luna, Bella & Charlotte all joining Allie in the Under 14/15s to show a never say die attitude and come away with a bronze medal in the Cameron Relay. The Senior Aussie Titles started on the Wednesday, and we were faced with some tough racing conditions, complete with large seas, cut-throat qualification, and racecourses being constantly changed, there was no room for error.

The whole team wore the Tugun cap with pride, raced hard, and I am sure came away with a lot of hunger to push even harder next season. A special note for our U17 boys: first year 17s can be a tough season learning

a new craft, growth differences between first and second year, but this great team of mates, have trained hard and always gave their best while having a lot of fun doing it. I am looking forward to watching this group grow and lead our squad into the future.

Some of our top results at Aussies included:

- Oliver Dillon: 10th U15 Board & 14th U15 Iron
- Luna Piazza: 11th U14 Iron & 17th U14 Swim
- Georgie Seaton: 6th U14 Board
- Charlotte Caghey: 16th U14 Board
- Ella James: 23rd U14 Swim
- Allie Hughes: 6th U15 Board & 16th U15 Iron
- Grace Hughes: 11th U13 Board, 4th U13 Iron, & 10th U13 Swim
- Tye Flint: 31st U14 Swim
- U15 Male Board Rescue: 8th Oli & Kai
- U14 Female Board Rescue: 5th Luna & Georgie
- U14 Female Cameron Relay: 10th Grace, Ella, Georgie & Milla
- U15 Female Cameron Relay: 3rd Allie, Luna, Bella, & Charlotte
- U14 Female Board Relay: 5th Georgie, Luna, & Milla
- U15 Female Board Relay: 14th Allie, Charlotte, & Ella
- U14 Female Surf Teams: 4th Grace, Ella, Milla, & Luna
- U17 Male Taplin: 10th Kai, Jake, & Ziah

Team Tugun be proud!
Kelly Margetts
Head Coach

~ DIRECTOR OF JUNIOR ACTIVITIES ~

This season, we had a small member growth across the majority of age groups. This is something that our committee has placed high focus on and over the last few seasons it is clearly paying off. Each age group boasts healthy numbers and equally positive parents. The Age Managers again this season proved their worth and went above and beyond the ordinary expectations and increased their participation levels, not only at the regular Sunday Nipper activities, but also at carnivals, where the mighty Tugun cap was proudly represented.

The focus also this season was to encourage the Nipper group, across all ages, to push themselves to achieve personal goals. This can be seen at all levels, whether it was to compete at the highest level and achieve competition glory or to simply make it around the swim or Board cans at regular Nippers. Some had goals of competing for the first time and to experience competing with their mates. All of these goals were highlighted and the smiles across all the age groups on the faces of the whole team was priceless. The culture that the younger members are experiencing, is something that will remain for years to come.

The other main focus the committee has been continuing, is the transition of the under 14 and 15 age groups to the senior age groups, not only strengthening the senior competition team but more importantly, strengthening the patrolling numbers for our Club. This program has proved to be successful and it so important it continues for years to come.

Personally, I would like to thank the Junior committee for the efforts they have put in again this season. Adam, Vanessa, Clint and Joelle, thank you for all that you have done. This Club does not function anywhere near as well without people like yourselves.

To the water safety crew, who have again provided continued safety to the whole nipper group, as a Club we thank you. I would also like to thank Dan Ware for always being present at midweek training as my water safety guru. The whole squad can't thank you enough.

To the water section assistant coaches, Kelly Piazza

and Joelle Bruhn and Steve Mannion, your commitment each week was amazing and the proof is definitely visible with the number of kids who are extending themselves, with not only paddling but also surf skills. This only comes from installing confidence and putting in time with them and allowing the kids to believe in themselves and to most importantly have fun. To our Team Manager Brooke Colless (sister Brooke, aka), a huge thank you. This season ran very smooth with your help.

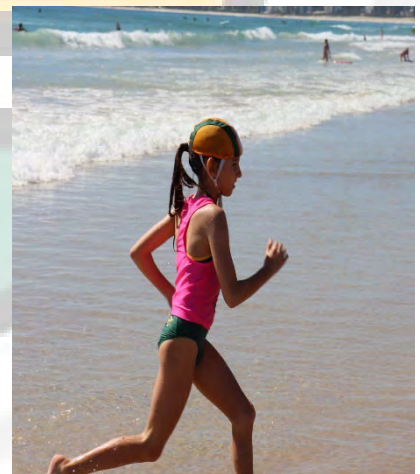

Lastly, Kristy Randall took on the role as Officials Co-Ordinator for carnivals. We cannot compete without the work that you have done. Thank you.

A big thank you also to our Uniform Shop ladies, Brooke Colless and Joeline Seaton who once again absolutely smashed it. Also, Emma Mannion, our BBQ convener, who gave the canteen some much needed special attention and it also proved to be successful. The funds raised through the canteen were really impressive. Thank you, Emma.

For me personally, I have enjoyed almost every minute of my time as Nipper President. Over the years there have been some testing moments, but nothing that deterred me enough to stop what I was doing or achieving my own goals as JAC. After five seasons, this will be my last as JAC and I am happy to say, in my opinion, we are heading in the right direction, with great member numbers, an ever-growing competition team, very supportive parents and passionate committee.

**Thank you.
Murray Seaton**

~ JUNIOR FINANCE REPORT ~

The Tugun Nippers had another successful 22/22 season, which resulted the Nippers achieving a cash surplus of \$6,993. We currently have approx. \$20,000 in uniform stock in place, with new orders already being prepared in readiness for the 2022/23 season. As per previous seasons the majority of this year's profit came from Sponsorships and our canteen. A big thank you to everyone who continually put their hand up to help on the BBQ throughout the year in particularly Emma Mannion who coordinated the BBQ to ensure it was a success despite the many challengers that covid and the weather presented.

Our major corporate sponsor for the season was G & L Form work. G & L Form work have been long term supporters of Tugun nippers and their continued generosity during the year was very much appreciated. We are also thankful for the continuing generosity of Semi-Trailer Rentals.

We were also we very appreciative to welcome on board two new sponsors in local companies Ingwersen & Lansdowne and Oska Hydraulic Consulting. We are very thankful for their support and excited to welcome these two local businesses to the Club. We hope it's the start of a long term and mutually beneficial relationship.

Income generated this year not only allowed the Nippers to function on a week-to-week basis with safe and up to date equipment, but also allowed us to invest back into the kids in the form of sending our kids to the State titles, subsidising uniforms and helping out the Tugun kids selected to the representative teams, and ensuring the Christmas parties and the end of year presentations were huge successes.

Thanks again to all involved helping make the 21/22 season a success.

Clint Colless
Tugun Nipper's Treasurer

~ TUGUN SLSC INVESTMENT TRUST REPORT ~

We are glad to present this year's report for the Tugun SLSC Investment Trust.

This financial year, the Trust renovated the front ground floor 2-bedroom unit when the tenant vacated (it really needed a facelift). The renovations took approximately 2 months to complete hence loss of rent for that period. The Trust also organised for the back one-bedroom unit a coat of paint to get rid of the blue walls and new curtains. Due to these upgrades we have increased the rental income as well.

This year the Trust helped out the surf Club by purchasing 4 new skis for the Surf Clubs Water Section. These ski's came with sliding foot chock positions so they are able to fit all sizes.

The Trust has no debt and have one debtor being the Tugun SLSC /Supporters

Club being monies lent for the purchase of lift which has been paid down over the past few years.

We have received a market appraisal for the property putting it at around \$1,500,000 which we believe is very conservative.

The one thing all members must remember that the sole beneficiary of the Trust is the Tugun SLSC Club, your Club!

Dave Mitchell, Arthur Anderson and Peter Hall

Tugun SLSC Investment Trust

~ BUILDING OFFICER REPORT ~

The season kicked off with a surf boat carnival, Point Danger Branch Oceans 38 carnival and the NutriGrain Trials over a five-week period. The carnivals were run really well and were a great success for the Club. We were very pleased to host the carnivals and the work force did a great job as usual. Our workforce was like "Dads Army, led by Greg Hamilton, with support from many, including Sodge Sorrell (88), Seato (80), Hoddy (80), with a few seventy & sixty year old's thrown into the mix.

It just goes to show that age doesn't slow you down. Also, let's not forget the younger generation, proudly represented by Hugo-Roderick, who shows up every time help is needed. What would we do without the support of this dedicated work party group, they are amazing and the secret to our carnival hosting success. This is why everyone wants Tugun to host carnivals! The season has finished off with the Club hosting the Ocean Roar IRB carnival over a very wet May weekend.

Thank you to all those members using the gym and doing the right thing by putting the weights and other equipment away after use. This assists Jean when she comes in to clean each week. A huge shout out to Jean (the Boss) for keeping our life saving areas (gym, change rooms & training room) clean and tidy for us. Also thank you to Sharon (Club Admin) for all your help over the season. Lastly Ocker and Sully... you did it, "Let there be Rain".

To all our Boaties and Water Section, great work, it is good to see your commitment to competition and this is an inspiration to all across the Club. To Brett, and the Board of Directors, words cannot express how I felt when you called me out to unveil the new IRB with my name on it, I was honored and humbled, thank you.

Thank you all for another great season.

Robert (Hoddy) Hodgson

~ 2021-2022 CLUB & SERVICE AWARDS ~

**FINANCIAL REPORT
FOR THE YEAR ENDED
30 APRIL 2022**

TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
COMMITTEE'S REPORT

Your committee members present this financial report on the Tugun Surf Life Saving Club Inc for the financial year ended 30 April 2022.

Committee Members

The names of each person who has been a committee member during the year and to the date of this report are:

President	Brett Beutel
Secretary	Renee Hogben (elected 27 June 2021)
Secretary	Gavin Watts (held office until 27 June 2021)
Treasurer	Jason Smith
Director of Junior Activities	Murray Seaton
Director of Life Saving	Thomas Schneider
Director of Surf Sports	Karla James (elected 27 June 2021)
Director of Surf Sports	Rhyam Pankhurst (held office until 27 June 2021)
Director of Supporters Club	Anthony Buckingham (appointed 13 September 2021)
Director of Supporters Club	Bruce Zillman (held office until 13 September 2021)

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

Promote, advance and control the work of surf life saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere, and to fulfill any charter of the association including its environment and community education commitments.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The surplus amounted to \$77,293.65 (2021: surplus of \$9,758.64). The association is exempt from income tax and is endorsed by the Australian Taxation Office (ATO) as a Deductible Gift Recipient (DGR) and as a Public Benevolent Institution (PBI).

The financial statements were authorised for issue on the same date as this report by the committee members of the association.

This committee's report is signed in accordance with a resolution of the committee members.

President 
Brett Beutel

Secretary 
Renee Hogben

Dated this 13th day of June 2022

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 1981* (Qld) and the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). The committee has determined that the association is not a reporting entity.

Basis of Preparation

The financial statements are for the Tugun Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. The Tugun Surf Life Saving Club Inc is an association incorporated in Queensland under the *Associations Incorporation Act 1981* (Qld) and is registered as a charity under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following Australian accounting standards have been applied in the preparation of these financial statements:

- AASB 101 - Presentation of Financial Statements
- AASB 107 - Statement of Cash Flows
- AASB 108 - Accounting Policies, Changes in Accounting Estimates and Errors
- AASB 1048 - Interpretation of Standards
- AASB 1054 - Australian Additional Disclosures

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Accounting Policies

a. Income Tax

No provision for income tax has been raised as the association is exempt from income tax under Section 50-10 of the *Income Tax Assessment Act 1997* (Cth). Tugun Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions. Further, Tugun Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

b. Comparative Figures

When required by these accounting policies, comparative figures have been adjusted to conform with changes in presentation for the current financial year. When required, comparative information is reclassified where appropriate to enhance comparability.

c. Economic Dependence

Tugun Surf Life Saving Club Inc is dependent on the Tugun Surf Life Saving Supporters Association Inc for funds used to meet its financial commitments. At the date of this report the committee members have no reason to believe the Tugun Surf Life Saving Supporters Association Inc will not continue to support Tugun Surf Life Saving Club Inc.

d. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

e. Critical Accounting Estimates and Judgments

The committee of management evaluate estimates and judgments in the financial report based on historical knowledge and best available information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Key estimates

The estimate of the useful life of leasehold improvements, plant and equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered during the year or during preparation of this financial report.

Key judgments

The methods of depreciation are used to provide a consistent usage of the useful life of leasehold improvements, plant and equipment. The methods also allow, where required, for the leasehold improvements, plant and equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the committee of management.

f. Contributions

If and when Tugun Surf Life Saving Club Inc receives non-reciprocal contributions from the government or other parties for nothing or a nominal value the contributions would be recognised at the fair value on the date of acquisition upon which time an asset is taken up in the Statement of Financial Position and revenue in the Statement of Profit or Loss and Other Comprehensive Income.

g. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Grant revenue is recognised in the Statement of Profit or Loss and Other Comprehensive Income when the association obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the association and the amount of the grant can be measured reliably.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

h. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less, and bank overdrafts.

i. Trade and Other Receivables

Trade and other receivables include amounts due from members as well as amounts receivable from other entities. Receivables expected to be collected within twelve months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

j. Inventories

Inventories are measured at the lower of cost and net realisable value.

TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

k. Property, Plant and Equipment

Each class of leasehold improvements, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and impairment losses.

Leasehold improvements, plant and equipment

Leasehold improvements, plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of leasehold improvements, plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1n for details of impairment).

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of leasehold improvements, plant and equipment is depreciated on a straight line basis over the asset's useful life to the association commencing from the time the asset is held ready for use. The rates used for each class of depreciable assets are:

<u>Class of Fixed Asset</u>	<u>Depreciation Rate & Method</u>	
Leasehold improvements (Clubhouse building)	2.50%	Prime Rate
Leasehold improvements (Clubhouse additions)	2.50% - 10.00%	Prime Rate
Plant & equipment	6.67% - 25.00%	Prime Rate
Motor vehicles	15.00%	Prime Rate

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

l. Employee Benefits

Retirement benefit obligations - superannuation benefits

All employees of the association receive defined contribution superannuation entitlements, for which the association pays the fixed superannuation guarantee contribution (currently 10.0% [10.5% from 01 July 2022] of the employee's average ordinary salary) to the employee's superannuation fund of choice. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are recognised as trade and other payables under current liabilities in the association's Statement of Financial Position.

Short-term employee benefits

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and long service leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The association's obligations for short-term employee benefits are recognised as trade and other payables under current liabilities in the Statement of Financial Position.

TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

l. Employee Benefits (continued)

Long-term employee benefits

The association only classifies employees' long service leave entitlements as long-term employee benefits as they are not expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. Provision is made for the association's obligation for long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The association's obligations for long-term employee benefits are recognised as provisions under non-current liabilities in its Statement of Financial Position, except where the association does not have an unconditional right to defer settlement for at least twelve months after the end of the reporting period, in which case the obligations are recognised as trade and other payables under current liabilities in the Statement of Financial Position.

m. Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the association during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

n. Impairment of Assets

At the end of each reporting period, the committee members assess whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the committee members estimate the recoverable amount of the cash-generating unit to which the asset belongs.

o. Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2022

Note	2022 \$	2021 \$
------	------------	------------

NOTE 11: BORROWINGS (continued)

a. The insurance premium financing is secured by the insurance policies, that is, if the association defaults on the repayments arrangements then the financier will cancel the insurance and collect the refund.

b. The loans from Tugun SLSC Investment Trust are for the specific purpose of installing a lift in the association's building.

NOTE 12: CAPITAL AND LEASING COMMITMENTS

Capital Commitments

The association will be required to pay for the installation costs associated with installing the lift. The recently signed lease agreement specifies that the Tugun Surf Life Saving Supporters Association Inc is to meet these costs through reimbursement to the association.

The association has not entered into any other contracts in relation to capital expenditure at the date of this report.

Hire Purchase Agreements

Payable:

Not later than 1 year

Minimum lease payments

Less future finance charges

Total Hire Purchase Agreements

	-	2,008.48
	-	2,008.48
	-	(19.84)
11	-	1,988.64

The hire purchase commitments have been capitalised in this financial report at Note 9 and the related borrowings in Note 11. The asset being purchased is the security for the finance.

Finance Lease Commitments

The association has not entered into any finance lease contracts at the date of this report.

Operating Lease Commitments

The annual lease fee is determined by the City of Gold Coast and calculated on the annual liquor purchases by the tenant, Tugun Surf Club Supporters Association Inc. Therefore, future lease costs cannot be accurately determined, however, the lease cost for the year ending 30 June 2022 was \$9,847.17 excluding GST.

NOTE 13: ASSOCIATION DETAILS

The registered office and principal place of business of the association is:

Tugun Surf Life Saving Club Inc
 29 O'Connor Street, TUGUN QLD 4224

NOTE 14: HUMAN RESOURCES

At the end of the financial year the number of employees and volunteers engaged by the association were as follows:

Part-time employees	1	1
Volunteers	194	185

b. Credit Stand-by Arrangements

The association has no stand-by credit arrangements with financiers.

c. Non-Cash Financing and Investing Activities

There was no non-cash financing or investing activities during the year.

NOTE 16: KEY MANAGEMENT PERSONNEL COMPENSATION

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the association, directly or indirectly, including any committee member (whether executive or otherwise) of the association is considered key management personnel (KMP). There was no remuneration paid by the association to KMP's.

Amounts paid by the club to committee members during the year for goods and/or services

600.00 -

No KMP has entered into a material contract with the association since the end of the previous financial year. KMP's may obtain membership and may also obtain other services and benefits from the association on terms and conditions no more favourable than those available to other members and, if so, were immaterial.

NOTE 17: RELATED PARTY TRANSACTIONS

Other related parties include close family members of KMP's and entities that are controlled or jointly controlled by those KMP's individually or collectively with their close family members.

Amounts paid by the association to Tugun Surf Life Saving Supporters Association Inc during the year for goods or services	83,159.93	86,915.68
Amounts received by the association from Tugun Surf Life Saving Supporters Association Inc during the year for rent	118,788.04	118,487.64

DECLARATION BY MEMBERS OF THE COMMITTEE

The members of the committee declare that the financial report, comprising of Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Association's Funds, Statement of Financial Position, Statement of Cash Flows and Notes to the Financial Statements:

1. Presents a true and fair view of the financial position of Tugun Surf Life Saving Club Inc as at 30 April 2022 and its performance for the year ended on that date in accordance with the accounting policies as described in Note 1 to the financial statements.
2. At the date of this statement, there are reasonable grounds to believe that Tugun Surf Life Saving Club Inc will be able to pay all of its debts as and when they become due and payable.
3. The financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

This declaration is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President 
Brett Beutel

Treasurer 
Jason Smith

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216**

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report of Tugun Surf Life Saving Club Inc (the Association), which comprises the Statement of Financial Position as at 30 April 2022 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Association's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information and the Declaration by Members of the Committee.

In our opinion, the accompanying financial report of Tugun Surf Life Saving Club Inc is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth), the *Collections Act 1966* (Qld) and the *Associations Incorporation Act 1981* (Qld), including:

- i. giving a true and fair view of the Association's financial position as at 30 April 2022 and of its financial performance for the year then ended; and
- ii. complying with Australian Accounting Standards to the extent described in Note 1.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Our opinion is not modified in respect to the following matters:

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and the *Associations Incorporation Act 1981* (Qld). As a result, the financial report may not be suitable for another purpose.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
TUGUN SURF LIFE SAVING CLUB INC

(continued)**

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of the Association is responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 April 2022, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The Committee of the Association is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth), the *Collections Act 1966* (Qld) and the *Associations Incorporation Act 1981* (Qld) and is appropriate to meet the needs of the members.

The Committee's responsibility also includes such internal control as the Committee Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the ability of the Association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.

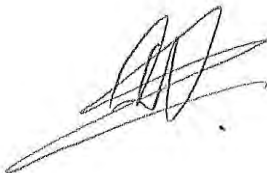

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
(continued)**

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

CLUB AND ASSOCIATION AUDIT SERVICES

IAN W BARFOOT
Registered Company Auditor No. 219262

Dated this 13th day of June 2022
at Ashmore, Queensland
