OFFICE BEARERS

BOARD OF DIRECTORS

President	Brett Beutel
Secretary	Greg Hamilton
Treasurer	Jason Smith
Director of Lifesaving	Thomas Schneider
Director of Junior Activities	Adam Bruhn
Director of Surf Sports	Rhyam Pankhurst *(resigned December 2023)*

OFFICE BEARERS

Patron	Craig Williams
Chief Training Officer	Ian Phillips
First Aid Officer	Leon Dunstan & Lyn Sarquis
Transport Officer	Scott Edwards
IRB Officer	Hugo-Roderick Tolvay
Senior Boat Captain	David Mitchell
Clubhouse Officer	Robert Hodgson
Youth Development Officer	Kelly Piazza & Thomas Schneider
Team Manager	Karl Muggeridge
Marketing & Media Officer	Rhyam Pankhurst

INVESTMENT TRUST

Member 1	Craig Williams
Member 2	Peter Hall
Member 3	Arthur Anderson

CLUB BRANCH OFFICER

Branch Councillor	Brett Beutel

COACHES

Head Water Coach	Kelly Margetts
Beach Coach	Callum Taylor
Surf Ski Coach	Jordan Wood
Nipper Coach	David Monaghan
Boat Sweeps	Brett Beutel, Stanley Damro & Russell Power

JUNIOR ACTIVITIES COMMITTEE

Chair	Adam Bruhn
Deputy Chair	Craig Taylor
Secretary	Jane Dunstan
Treasurer	David Portas
Community & Fundraising	Jessica Baxter
Junior Team Manager	Joelle Bruhn
Uniform Coordinator	Emma Mannion
BBQ Convenor	Rebecca Butwell

AUSSIE CHAMPIONS

GOLD MEDAL

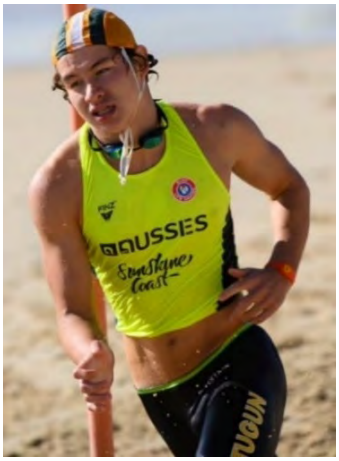
U17 Male Board Champion	Oliver Dillon
U17 Male Board Relay	Oliver Dillon, Tom Damon & Will Norling

SILVER MEDAL

U17 Male Board Rescue	Oliver Dillon & Will Norling
U15 Male 2km Beach Run	Hunter Anderson

BRONZE MEDAL

U17 Female Board Rescue	Luna Piazza & Charlotte Caughey
U19 Male 2km Ocean Swim	Kai Portas



QLD STATE CHAMPIONS

GOLD MEDAL

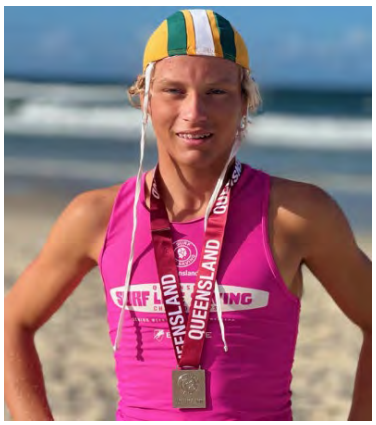
Unassisted Prone Adaptive Surfing	Kai Colless
U14 Female Beach Flags	Sooke Paley
U14 Female Beach Relay	Evie Barker, Issey Murphy, Ruby Lansley, Sooke Paley
U17 Female Single Ski	Allie Hughes
U17 Female Beach Sprint	Lily Alford
U17 Female Beach Flags	Lily Alford

SILVER MEDAL

U12 Male Iron	Beau Colless
U12 Male Board Rescue	Beau Colless & Blake Flint
U12 Male Cameron Relay	Beau Colless, Blake Flint, George Whitlock, Cooper Taylor
U14 Female Beach Sprint	Sooke Paley
U17 Female Taplin	Charlotte Caughey, Allie Hughes & Luna Piazza
U17 Male 2km Beach Run	Tye Flint

BRONZE MEDAL

U12 Male 2 x 500m Beach Relay	Beau Colless & Cooper Taylor
U15 Male 2km Beach Run	Hunter Anderson
U17 Male Board Race	Will Norling
U17 Female Board Rescue	Tiki Calliste & Alli Hughes
All Age Sprint Relay	Hunter Anderson, Ryder Armstrong, Evie Barker, Fletcher Bruhn, Tully Crompton, Ruby Lansley, Sooke Paley, Scarlett Sherrington, Savannah Taylor & Cooper Taylor



PRESIDENT REPORT

As the flags go down on another season at Tugun it is time to look back on the season that was. There have been many challenges this season for me as the President, but the team around me were there to help, which in turn has made my job easier. Without these people putting their hand's up and volunteering their time, the Club doesn't move forward. Thank you to the current Board of Directors for your support and commitment.

The Board has moved forward with its commitment to bring our Club compliance up to speed; it's been a slow process; however, I am pleased to report we have completed:

- the upgraded male and female changerooms;
- the remaining 70% of the roof has been replaced;
- the compliance works in the Waves Function Room;
- the upgrade of all electrical switchboards throughout the Club; and
- the gutter and eaves on the Northern side of the Club have been replaced.

To date the Club has spent approximately $330,000 on repairs and improvements.

On the competition front the Club has excelled under our coach Kelly Margetts & surf ski Coach Jordan Wood, with Tugun coming away with many coloured medals at both States and Aussies this season. Oliver Dillon left the Aussies as an Australian Champion winning Gold in the under 17 Board Race and with another Gold medal as part of the U17 Board Relay team. The rest of the team have excelled in reaching finals and achieving more medals across a variety of events at both State and Aussies. A full wrap up is provided in the surf sports report.

Our female girls have yet again proved their consistency, with great results at State and Aussies. This group of young ladies have become the benchmark for the rest of the Club. Their dedication and hard work over the past couple of years will hopefully take their success onto the senior stage in the future.

The boats have gone through a rebuilding stage with the formation of a fresh young junior crew, a first-year reserve grade crew and two master's crew. There were many thrills and spills throughout the season and the boys kept showing up every week with a smile and we look forward to next year as we continue to get bigger.

To Adam Bruhn and the Nipper Committee and four future Club stalwarts, thank you for another outstanding season continuing the constancy Tugun SLSC has been building over the past seasons. Well done to all.

Now to the backbone of the Club, ***our patrolling members.*** A big thank you to those members who stepped up and completed over 100 hours this season. To the members that showed up, did their job, made their commitment, and did their rostered patrols, I thank you. Our patrols have experienced several challenges this season and I know we have struggled at times to fulfill our requirements, but we have scrapped through. I think next year will be our year to hopefully attract more members to boost our patrolling numbers.

In conclusion I would like to welcome our new Administrator Anita Bourke and say goodbye to Sharon Phillips who has decided to turn the computer off at Tugun and head off into the sunset. Thank you, Sharon, for your dedication to our Club over your time at Tugun, you will be missed. Thank you to everyone that has helped keep Tugun safe this season.

I hope to see you back next year to help celebrate a hundred years of Tugun SLSC. ***Brett Beutel***

SECRETARY REPORT

Greetings all, welcome to what should be our 100th AGM.

It's been a rather tumultuous year what with our Club building compliance issues, which needed rectifying and quite a few niggly issues, especially relating to patrol problems. It seems to me that the powers that be i.e. SLSA & SLSQ, are more interested in finding fault than aiding in making the whole system more attractive to recruiting.

It has been exciting to see the Tugun colours once again flying at carnivals, with many medals achieved at Branch, Senior and Junior carnivals. It has also been good to see the positive rebuilding of the boat section. I have been very pleased to see the outstanding fund raising being undertaken by all the various sections of the Club this season. The Nippers have achieved great success in bringing on new sponsors, the Water Section's 200 Club was a major success and out Boatie Golf Day continues to grow in success every year. Congratulations to all our competitors, their coaches and supporters.

I must express my gratitude to Sharon and Anita for their efforts as our administration staff. They have made my position a breeze. Unfortunately, Sharon will be leaving as administrator in early July. However, she assures me that she and her family will continue links with us.

Many thanks to our patrol members, a large number of whom travel from Brisbane and have to battle the M1 traffic. You are the backbone of the Club and we as a committee truly appreciate your efforts.

Best wishes to all for the coming season. ***Greg Hamilton***

TREASURER REPORT

The Tugun SLSC Inc continues to strive towards the club's 100th Anniversary on 26th January 2025. Planning is under way for events and special projects to commemorate this significant club milestone throughout 2025. Fundraising and coordination for these celebrations is vitally important over the coming months.

Tugun SLSC generated revenues of $630,098 in 2023-24. Although this was an extremely pleasing performance, it represented a 15% reduction on last year's revenue total of $741,914. Additionally, annual operating expenses increased 9% to $678,754. This resulted in an operating deficit of ($48,656) for the 2023-24 financial year.

A significant reduction in donation revenue from the Tugun Surf Life Saving Supporters Association was evident in 2023-24. Supporter's club donations contracted 68% from $250,119 in 2023 to $80,332 for this financial year. The reduction in financial support from the Supporters club was partially offset by energetic fundraising initiatives by Tugun SLSC members. Raffle revenue for the year was $54,191 (up 29%), Club Fundraising events including the 200 Club and Golf Day raised an additional $34,811 for the club. A further $25,719 was raised via direct sponsorships.

This financial year also saw expenditure of $317K directed toward the ongoing building compliance project and upgrading the clubhouse roof. The performance of this work has significantly reduced the club's cash reserves (-58%). This project is comprehensive and will require the ongoing financial support of the Supporters Club to ensure installation of disabled access elevators is completed in 2025. Many thanks must go to Club President Brett Beutel for continuing to coordinate this complex project on behalf of the surf club.

It was again satisfying to see our athletes perform well throughout the season. The dedication and effort of the coaches and competitors continues to pay dividends and enhance the team culture here at Tugun SLSC. Our continued support of the Surfsports area shall see the club well placed to excel as we head to our 100th anniversary.

The included Financial Report for 2023-24 contains comprehensive detail of all club financial activities throughout the year.

Special thanks must go to the following:

- A big thank you to Jane Dillion and the entire Water Section raffle support team.
- The JAC, parents and nippers that contribute so selflessly to the success of the Nipper division.
- A very warm welcome to new Club Administrator, Anita Bourke.
- Finally, a massive thank you to our departing Club Administrator, Sharon Phillips. Sharon has been the backbone of the Tugun SLSC for a number of years now. Thank you for all your effort, Sharon. We appreciate everything you have achieved for us. You will be missed.

Thank you all. ***Jason Smith***

DIRECTOR OF LIFESAVING REPORT

As we lay down the flags for the 99th season, we celebrate yet another successful year of lifesaving at Tugun; with no drownings, another influx of Youth, and an unexpected surge of challenges that saw the 2023-24 Patrol Roster drop from 12 to 10 teams halfway through the season. Despite the unexpected swell, the dedicated members of Tugun SLSC managed to ride the waves in true team spirit, completing almost 6000 hours across the board. I'd like to extend my many thanks these patrolling members who volunteer their time to keep this beach safe and continue to show that positivity and teamwork can always overcome adversity.

Of course, attitude reflects leadership. This brings me to our Patrol Captains. The Patrol Captains at Tugun lead by example, inspiring confidence in others and setting the standard for the rest of their team. I'd like to thank these Patrol Captains for their valuable leadership skills, making patrols enjoyable for their fellow members and continuing to pave the path for the younger generation of our club.

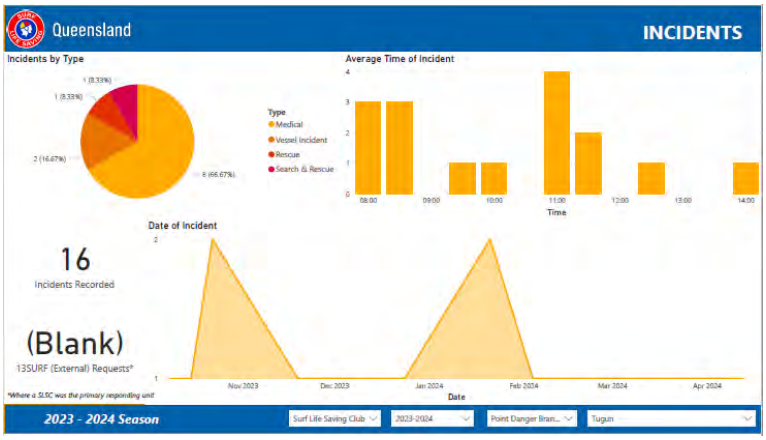
Speaking of the younger generation, it is refreshing to see that the tide continues to rise in the Fountain of Youth at Tugun. This year we have seen more kids complete their Bronze and SRC as well as many newcomers, who have transferred over to be a part of the growing culture of youth development at Tugun. We've also seen the older youth members Oli Dillon, Allie Hughes, Will Edwards and Jake French all take on roles as Vice Captains; with Allie and Will both completing an abundance of awards in the Team Extreme program this year. With the youth now occupying over half of the patrolling roster, they must continue to be our primary focus as they are essential to the future of lifesaving at Tugun. The growth and development of youth would not be possible without our incredible Nipper Community, who build the foundation of lifesaving at Tugun. I'd like to thank everyone involved in continuing to help create that stepping block for the younger generation of Tugun SLSC.

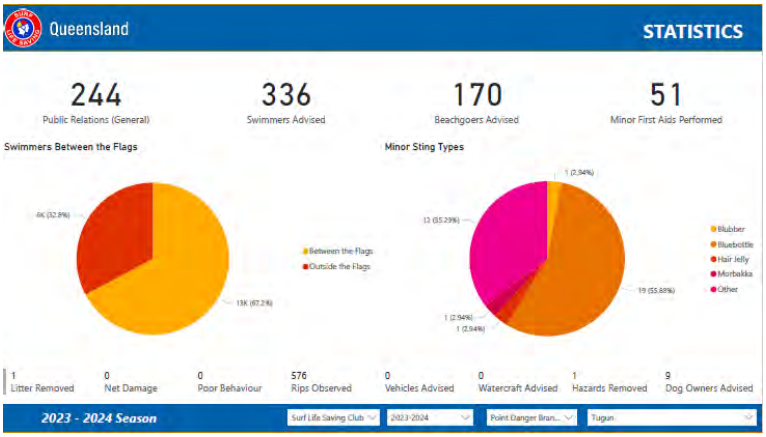
For these young members to evolve into the senior club, they must first undergo the appropriate training. Our qualified trainers go above and beyond by volunteering even more of time to proficiencies and courses throughout the season, ensuring our members are rescue ready. I would like to thank our Chief Training Officer Ian Phillips and Training Enthusiast Roger Dibden, as well as our First Aid Officers Leon Dunstan and Lyn Sarquis, for their service this year. I'd also like to thank Geoff Wright for his assistance with IRBs throughout season.

There also are several members who have demonstrated excellent service this season. I'd like to give a special mention to Jason Smith, Raoul Somers, Adam Bruhn and Hugo-Roderick Tolvay who all completed over 100 hours as PC's on Tugun beach this year.

Lastly, I'd like to recognise and thank our Board of Directors. It is always an honour to be a part of a committee that is so actively involved with its club and members, on and off the beach. I'd like to give a very special mention and as we say our final goodbyes to the amazing Sharon Phillips. The work Sharon has put in behind the scenes is unmatched and her role at Tugun has been essential to the growth and stability of the club. Sharon, we cannot thank you enough. But as one door closes, another opens and we welcome our new Administrator Anita, who has been thrown in the deep end no doubt, but I'm confident will be an amazing asset to our club moving forward. Enjoy the off season and I'll see you all on the beach soon. ***Thomas Schneider***

PATROL





TEAM	PATROL CAPTAIN	VICE CAPTAIN
1	Ian Phillips	Garna Dowling
2	Geoff Wright	Damien Daly
3	*Vacant*	
4	Kelly Piazza	Raoul Somers
5	Adam Bruhn	David Portas
6	Tom Schneider	Terry Butler
7	*Vacant*	
8	Anthony Frampton	Jarrad Fels
9	Jason Smith	Will Stewart-Edwards
10	Leonard Randall	Jake French
11	Tom Schneider	Oliver Dillon
12	Reid Sellars	Sean Phillips

EDUCATION REPORT

The 2023/24 season was another busy year in terms of delivering essential training to our Tugun members, and the additional need for trainers and assessors to upskill with the introduction of SLSQ's online education management system aXcelerate. Over this season, the training group of Roger Dibden (trainer and assessor), Melinda-Jane Tolvay (probationary trainer) and myself, with exceptional administrative support from Sharon Phillips, delivered **five** Skills Maintenance courses, **two** Surf Rescue Certificate courses and **three** Bronze courses, all with a 100 percent success rate. It was great to see so many of our junior members gaining their Bronze and SRC awards and becoming active patrolling members for the Club. We were also very pleased to see Kelly Piazza gain her Patrol Captain award in February 2024, and who has been leading the way for more senior female lifesavers within the Club.

Special thanks to Roger for the considerable amount of time and effort in providing the necessary training for our patrolling members to be eligible to drive the tractor and SSV. I would also like to thank Rainbow Bay SLSC for providing the opportunity for three of our members to complete their Skills Maintenance post 2023, and to Currumbin SLSC for allowing two of our members to complete their Bronze course with them. Inter-club collaboration across Pt Danger Branch is a positive pathway towards providing additional opportunities for our members to gain awards.

The declining number of trainers and assessors within the Club and at both Branch and State level is going to become a major issue as we move into the new season. However, we were very pleased to welcome the appointment of Derek Baldwin at Pt Danger Branch, who will be providing essential support to trainers and assessors at the Club level.

Overall, the number of Tugun members completing each award this season is provided in Table one.

Table 1. Number of members completing each award in 2023/24 season

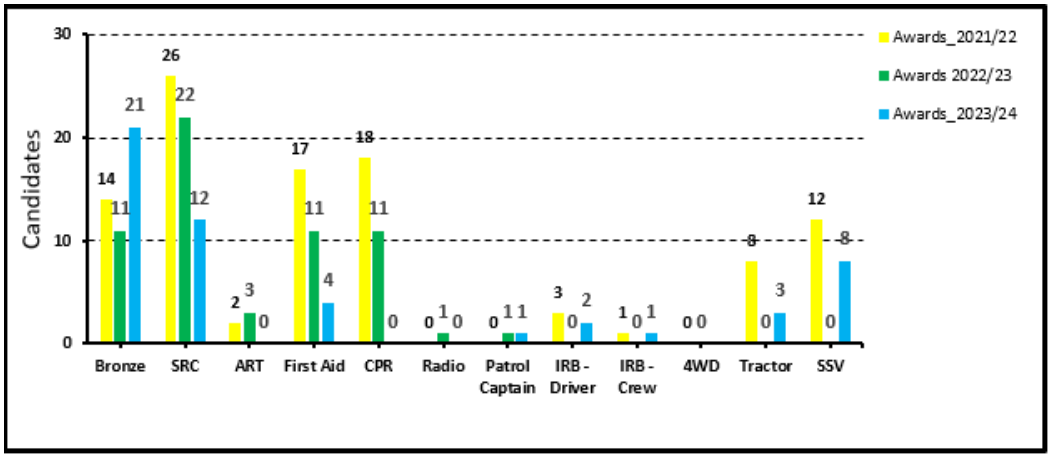
Skills Maintenance	165
Surf Rescue Certificate	12
Bronze Medallion	21
IRB Crew	1
Silver Medallion IRB Driver	2
ART	11
Tractor	3
SSV	8

A comparison of members completing various awards over the 2021/22 to 2023/24 seasons is presented in Figure 1 below. Good news is that Bronze Medallion awards have increased in 2023/24 but members completing awards in key patrolling requisites (i.e. ART, First aid, CPR, Patrol Captain, IRB driver and crew) remain very low.

EDUCATION REPORT

It would be great to see these low numbers increase over the next few seasons to relieve the burden currently being experienced by many of our members holding these awards.

Figure 1. Comparison of members completing awards over the 2021 - 2024 time period



Of concern is the decline in number of members completing the annual Skills Maintenance as seen in Table 2. The total number of members completing Skills Maintenance in 2021/22, 2022/23 and 2023/24 seasons was 200, 186 and 165, respectively.

Table 2. Comparison of members completing Skills maintenance over the 2021/22 to 2023/24 seasons

Skills Maintenance (Bronze & SRC)	Total	Male	Female
2023-24	165	117	48
2022-23	186	130	56
2021-22	200	137	63

Interestingly, over these three seasons males comprised about 70% and females 30% of the group, indicating the proportionality of decline in total numbers was similar in for both males and females.

This season Sharon was again instrumental in ensuring the essential administrative aspects of running each course were met, despite moving into a part-time position. ***Ian Phillips***

HEAD WATER COACH REPORT

Another great season in the books! Season 23/24 kicked off for us last June with a fresh group of U14s moving up into our group. It's great to see all the hard work the nippers are putting in is continuing to flow into our senior squad. While focusing on getting these U14s technique and skills on the board, the U17s worked hard on building theirs on the ski.

There was some interest in the Coolangatta Gold, so the squad's pre-season consisted of a lot of volume. This meant that even those who didn't compete, had a large endurance base to carry them into the racing season. Congrats to Sean and Rhyam for taking on the long course, Ryan for the short, and Jake, Oli, Archie, and Rory for their team effort.

Come October, with the momentum from last season and a great pre-season under our belt, excitement was high with the anticipation of racing upon us. Tugun once again held the Nutra Grain trial and watching Ky Kinsela, dominate and qualify for the series, was a highlight. Congrats to Ky going on to finish 7th overall, after 6 rounds against the best ironmen in the world, is a true testament to his skills and ability.

As a team we set our sights on a lot of the big carnivals. The program was designed around the Summer of Surf and peaking for State and Aussies. Tugun was really well represented all summer across all age groups. With the resurgence of our senior group, we were fielding open Taplin teams for the first time in many seasons, including an amazing effort of coming 7th at State. A couple of highlights this season from the Opens were Ethan making the State board final, and Ky winning the Shannon Eckstein Ironman race in spectacular fashion. It was so good to see this Open group continue to push the squad, to help build, and represent this environment we are trying to harness for the future coming through.

The U19s, who were the first U14s group I had the pleasure of coaching here at Tugun, are leading this next generation of competitors and are the real backbone of the squad. Their commitment, passion, and consistency is shown daily at training. First year U19s is a tricky year having to race as Opens at the Summer of Surf events, but it gave them valuable experience, so that their focus could be targeted toward State and Aussies. Some of the highlights were Kai Portas getting 2nd in the 2km Ocean Swim at Aussies, as well as when he teamed up with Ziah and Ryan in the Tap lin final at Aussies, where they all showed true grit to just miss the podium coming away with a 4th. Ryans 6th place in the Board at State and Rocco and Rory making the Board Rescue final. Under the guidance of Woody, some of the highlights were Jake, Ryan, and Ziah in the ski relay coming in 4th at State and 5th at Aussies. The U17s had a big year competing at all of the major carnivals and putting up some great results. This age group really stood up this year, with the both the males and females shining bright. All season long at training, they pushed each other and the squad as a whole, leading them to be consistently at the pointy end of most finals throughout the Summer of Surf series.

HEAD WATER COACH REPORT

This was noticed by all on the beach, as the Tugun cap became the one to watch. Ollie was rewarded for some great results and consistency, becoming the U17 Board champion for the Summer of Surf series. This whole U17s team was primed and ready for State and Aussies. The girls worked hard together and supported each other on and off the water.

This was shown in their team results with Charlotte, Luna, and Allie with a very close 2nd in the State Taplin relay, Tiki and Allie with a 3rd in the State Board Rescue, and Luna and Charlotte with a 3rd in the Aussies Board Rescue.

Full credit must go again to Woody for some individual ski results, with Allie coming back to full strength winning State and a 4th at Aussies, and with Tom Damon really improving overall to come away with a 5th at Aussies. State Titles saw Tye with a sneaky 2nd in the 2km run and Will, after leading, come away with a 3rd in the Board. But the season for this group was really topped off with some incredible racing at Aussies. Ollie put a perfect race together showing his determination and skills to win the Board final, as well as when he teamed up with his mates, Will and Tom to win the Board Relay in a true team effort. Will and Ollie also took out the silver in the Board Rescue.

The youth gained a lot of experience this year racing at all levels. It was great to see the U14 girls push each other all season to improve their skills and fitness. This culminated in watching them represent themselves well in finals at State titles and experiencing their first Aussie Titles, showing they have a big future ahead. A couple of the highlights from State were Halle and Summer getting 5th in Board Rescue; then teaming up with Darcy for a 6th in the Board Relay. We had two teams in the Cameron Relay final and Holly made the Board final. It was also great at State, to see Leo making the Board final and Hunter making the Ironman final, Hunter getting a 3rd at State and 2nd at Aussies in the 2km run, and Ollie and Hunter teaming up to make the Board Rescue final at Aussies for the U15 boys. Again, this age group has a great bunch of young men who are great mates. I hope these end of season results helps to motivate them all to put in a full season and push each other to reach their full potential. We can't go on without mentioning the ever-consistent Grace Hughes, who led by example at training by not letting age be her barrier for who she can and cannot chase. She also had a great season competing in all the Summer of Surfs, teaming up with Bella for a 6th in the State Board Rescue, and joined Summer and Bella for 5th in the State Board Relay. Grace had a 4th in the Iron and impressively made every individual final in both State and Aussies. It was simply unlucky that she did not come away with a medal.

A huge thank you to everyone involved to make this season happen, from the parents to the committee, from officials to team managers, and everyone in between. Most importantly thank you to the whole squad for your effort and commitment. For the way you carry yourselves on the beach and in your racing. For looking out for each other and helping build an environment that we all want to be part of. An environment that is fun, an environment that is supportive, and when all these things culminate, an environment that you can succeed. As a coach I couldn't be prouder. Thank you for a great season and bring on Tugun's 100th year! ***Kelly Margetts***

BEACH COACH REPORT

Firstly, I would like to congratulate all the beach athletes that represented Tugun this year. Many of you achieved some great results and did the club proud.

This season did however have more challenges than last year. I had the hope of building on the start-up year of 2023. But unfortunately, we had a significant drop off in competitors across both the nippers and senior ranks. There were also issues with training venues and poor weather to contend with for much of the summer.

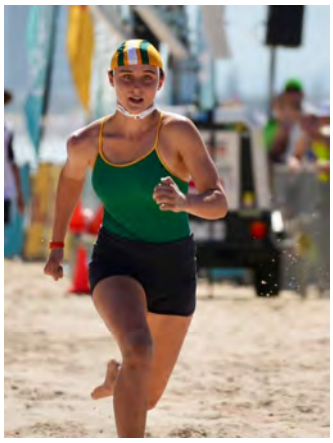
Despite this we still had some great results on the beach with numerous individual state and Australian medals, plus the most satisfying team medal being a bronze in the All-Age relay at State. This achievement was huge and a real testament to the heart of the team.

Individual standouts
Sooke Paley: **Gold** State Flags, **Silver** Sprint, 4th Australian Champs Flags & Sprint
Lily Alford: **Gold** State Flags & Sprint, 4th Australian Champs Sprint

The weights program we started in 2023 unfortunately lost momentum this year, with numbers attending down on last year. I think with senior athletes' commitment across many sessions and school/work /life pressure added to this downturn.

In summing up the 2024 season, we had some good success with limited resources. Building some strength into some age groups, with good potential for next season. This unfortunately will be my last year at Tugun, as I will be branching into new endeavours, I will still be available for coaching and thank the Tugun club, Parents, Coaches and awesome kids for my time spent with you.

Good luck and hopefully I can be involved again in the future. ***Callum Taylor***



SURF BOAT REPORT

During the 23/24 season, our section grew to three crews which is great from where we were last season (small steps). The crews consisted of a Junior Crew (our first in many years), a Reserve Crew and a Masters Crew. Russell Power our new sweep worked tirelessly in organising the Junior Crew of Will Stewart-Edwards, Levi Rowe, Riley Clarke & Nate Round who competed against crews up to two years their senior and did themselves and the Club extremely proud.

Brett Beutel brought together a Reserve Crew of Jarrod Ross, Daniel Moloney, Wakaiti Stratton & Eliot Donovan. They had mixed results throughout the year but were always in contention for the finals. Unfortunately, through injury to one of the rowers, they saw a late replacement in Jason Smith to compete at the Aussies. Brett's Masters Crew of Troy Jones, David Round, Jason Smith & Russell Power only came together at State and Aussie Titles so were a bit underdone. We are once again starting to grow and coming into the Clubs 100th Year we hope to improve greatly on this number. We must continue to work hard to grow our area and crews.

Our 4th Annual Golf Day in February was once again a successful day raising much needed funds for the Boat Area and for the Surf Club. Once again, we give a big thankyou to all our sponsors, Tugun Supporters Club and Ray Holland our Supporters Club Manager for your fantastic support.

Through the Boat Panel's fundraising our Area has been able to order a New Surf Boat at a cost of $27,500 which is fully self-funded by our Area. Our fundraising is not just the Golf Day we have the Boat Panel turning up each Saturday to raffle seafood trays at the Club. So, it is every week they put in to help make the Boat Area financial. I would like to once again thank our Boat Panel of Stan Damro, Tony Buckingham (Bucko), Brett Beutel (Bear), Gavin Watts (Snags), Peter White (Sandbar), Russell Power (Rusty) and Jason Smith for your continued fundraising efforts throughout the year. Thank you Anita our new admin personal for your help. ***Dave Mitchell***

DIRECTOR OF JUNIOR ACTIVITIES REPORT

Starting the season with an experienced Junior Activities Committee was fantastic. With Dave Portas as Treasurer, Jane Dunstan as Secretary, Jess Baxter as Community and Fundraising Officer, and Joelle Bruhn as Team Manager, along with the addition of Craig Taylor as Deputy Director, their commitment to the Tugun Nipper season was invaluable. We owe much of our success to their hard work and dedication. We're immensely grateful for the support from our Senior Board, Supporters Committee, and administration. Their backing has been truly appreciated. Currently, Tugun Surf Club is dedicated to crafting an unforgettable 100 year anniversary celebration and I can't wait to see all that this entails.

We kicked off the season with our highly anticipated Nipper Development weekend, bringing coaches and athletes together for a weekend of learning and bonding. Participants of all ages united to share their passion for surf sports. Through training sessions, workshops, and team-building activities, everyone left with a sense of purpose and excitement for the season ahead.

The JAC, parents, guardians, carers, and Nippers extend heartfelt thanks to all our coaches. We were fortunate to have our Beach Coach, Callum Taylor, return to our team. His expertise in analysing and refining the kids' techniques, along with his motivational guidance, has not only enhanced their performance but has also instilled a greater sense of confidence and determination in our beach athletes. This season, we were delighted to welcome Dave Monaghan as our junior water coach. With a background as a former competitor for Tugun Surf Club, Dave brought invaluable knowledge of competitiveness and a deep passion for the club. We extend our sincere thanks to Dave for the dedication and effort he invested in nurturing the growth of our Nippers as athletes. Jayda Hughes and Georgia Seaton guided our intermediate paddlers once again. Their positive influence and encouragement have played a significant role in shaping the development and success of our paddling program.

To Joelle Bruhn (7 seasons) and Petria Flint (4 seasons), thank you both for again taking on the responsibility of not only encouraging but also teaching the fundamentals of paddling to our newer and younger Nippers. Through their dedicated mentorship, Joelle and Petria instilled in our young Nippers a love for the water and a sense of accomplishment as they mastered the art of paddling, setting them on a path toward future success in the surf. Once more, Kelly Margetts, our esteemed senior water section coach, assumed the responsibility of guiding the U14s as they transitioned from the shorter nipper boards to the racing mals. Kelly's unwavering commitment to refining technique and enhancing fitness has been instrumental in the success of both our youth and senior athletes. We are truly grateful for Kelly's invaluable contributions to the development and triumphs of our athletes.

Our gratitude goes out to Emma Mannion and Bec Butwell for their exceptional dedication in coordinating and overseeing our uniform shop and canteen, crucial for raising necessary funds. The newly formed Community and Fundraising section was a success, firstly rallying new sponsors, along with our existing, we thank you for your generosity, it is greatly appreciated. Your donation supports the purchase of necessary equipment. Secondly, with the introduction of a couple of additional social events this season, Trivia Night and Parents Christmas party, both were a success! We look forward to having more events in the future with the involvement of the entire parent and guardian cohort.

Just as they have done in the past and undoubtedly will continue to do so in the future, our Age Managers demonstrated their immense value through their unwavering dedication at carnivals and their attentive care for their groups every Sunday. Their commitment and patience played a crucial role in imparting vital surf awareness and safety lessons to the children, ensuring their safety and fostering a love for the ocean. We were fortunate to have exceptional Nipper captains in Milla Seaton, Peony Margetts, and Halle Flint, who served as exemplary role models.

DIRECTOR OF JUNIOR ACTIVITIES REPORT

They provided encouragement to younger age groups, assisted Age Managers, and shared their knowledge with the greater group. The Junior Activities Committee extends their best wishes as they transition from Nippers to the Seniors division.

Safety in the water was again our top priority at Nippers, and it was great to witness some of our parents/carers becoming more involved. Looking ahead to next season, I'm optimistic that our group can see the benefits of more qualified water safety persons and we can encourage a few to obtain a Bronze Medallion, joining in on Sunday's water safety and as patrolling members for the benefit of the community.

The season was bustling with numerous carnivals, keeping everyone occupied. The Club celebrated another successful year, marked by exceptional individual and team performances. Witnessing our young Tugun athletes showcase their hard work and commitment was truly inspiring. At the Gold Coast City Titles, Little Squirts, Young Guns, Little Mates, GC Water Carnival, and PDB Youth Champs in February, all our Nippers represented the club admirably. Despite the relocation of the State Youth Champs from Burleigh to North Kirra due to hazardous surf conditions, our competitors tackled the challenging North Kirra conditions with determination, achieving remarkable results. In April, our Under 14's joined the senior surf club competitors at Aussies, facing tough conditions yet maintaining a high standard of competition and proudly representing the club.

Well done to Beau Colless & Sooke Paley for being awarded Tugun Club Champions, achieving the highest accumulated points, whilst competing for Tugun at Branch, Inter-Branch and State carnivals.

We express our sincere gratitude to all who officiated, provided water safety, or manned the IRB at the carnivals. Without your dedication, our nippers wouldn't have the opportunity to compete. Every contribution plays a vital role in ensuring each child can make the most out of the nipper experience. Kudos to our end-of-the-year award winners! Halle Flint earned the prestigious Frank Osborne Award for her remarkable positivity, respect, and encouragement towards her Nipper teammates. Halle's dedication is evident through her persistent efforts, goal achievements, and her ever-helpful attitude, always ready to contribute to the club when needed.

Dave Portas' extensive years of commitment as an Age Manager and JAC Treasurer, combined with his sincere dedication to the Surf Lifesaving movement, were recognised by him being honoured with the Bob Seaton Award for his unwavering commitment to the Tugun Nippers.

This season has been bustling with activity, brimming with fun, and marked by some remarkable achievements. I hope it has instilled in all our Nippers a deep appreciation for the surf and a confidence when down at the beach. As we look forward with anticipation, I am thrilled for the upcoming Nipper season where we will unite to honour the incredible milestone of the 100th anniversary of Tugun SLSC.

With gratitude, ***Adam Bruhn***

JUNIOR TREASURER REPORT

The Junior Activities Committee got off to an early start in the season past with planning commencing in May '23. This allowed the JAC to make headway on redeveloping our previous marketing document for the sponsorship of our club's youngest members and come up with a list of potential donors within the Tugun community. Many thanks must go to Jane Dunstan our Secretary of the JAC and the fundraising team that came together to drive the project of *Go Fund our Nippers.*

The actions of the team were mostly met with willing donors who in some cases signed up for the first time or in other cases renewed their ongoing commitment at a higher level of sponsorship. A heartfelt thank you to our Gold Sponsors: Ray White Tugun Elanora, Hickey Lawyers and Cool-A-Bah Cooling Services as well as our Bronze Sponsors: Lucia Tapas Restaurant & Bar, Zambrero Tugun and Symcorp Design & Build.

Due to the generosity of our sponsors the JAC was able to provide our 220+ nippers with a club shirt for our many events throughout the season. We also acquired a new order of the club bucket hat featuring the embroidered names of the Gold Sponsors for our uniform shop in both adult & kid's sizes and began their sale at a heavily discounted price. This item proved to be a best seller in the run up to the Christmas break.

The JAC remained committed once again to providing coach lead training sessions to our Nippers in the season past. It is an investment the committee is keen to make in providing our kids with the opportunity to experience what it is like to be a surf sports athlete whether it be on the local stage at a PDB carnival or at the highest level, our National Surf Life Saving Championships for our under 13s & 14s. It does underline the importance of having such generous club sponsors to ensure that goals are being set and every chance of success is provided. Once again, the JAC wishes to extend many thanks to our sponsors for their financial support and contributing to the development of our athletes by helping to fund these coach lead training sessions.

As always, the Canteen and BBQ provided a sizable part of our income base, and many thanks must go to Emma Mannion and Bec Butwell for managing these operations throughout the season. Thank you also to the many volunteers who dedicated their time on a Nipper Sunday at the Canteen and BBQ, to raise some funds and create the spirit of community.

The 23/24 season result was a cash surplus of around $7,000. Many thanks to our Director of the JAC, Adam Bruhn for whom we all owe a debt of gratitude for the countless hours the role takes up in his life. Also, thank you to my fellow committee members for your dedication to your respective roles and the support shown to me. It was a pleasure to work with you Jane D, Jess B, Joelle B and Craig T. Finally, many thanks to all the members who supported the program this past season in the many and varied roles we all play and the community we all help to create. ***David Portas***

TUGUN INVESTMENT TRUST REPORT

The trust is responsible for managing a significant financial asset for the Tugun Surf Life Saving Club, having been established with a view to preserving the asset realised from the sale of the original Coolangatta Road Flats.

The current trustees view their role as threefold

1. Preserve the asset entrusted to it
2. Make prudent investments in order to grow that asset
3. Where appropriate provide financial assistance to the club

Currently there are two primary components to that asset; the investment property at 322 Coolangatta Rd, which remains the primary investment for the trust and cash. In recent years the cash component has been maintained as a liquid asset, readily available should the club require additional funding, but neutral in its returns.

The year started with both the Surf and Supporters Clubs in relatively sound financial positions. With this in mind, the trust moved to restructure its cash holdings, whereby it established an interest-bearing account, a 12-month term deposit and a more speculative investment into a managed fund. The Trustees also facilitated a $64,000 low interest loan over 3 years to the Supporters Club for the acquisition of a new Point of Sale (POS) system. As a result, the interest return to the Trust increased by **$2,064.51.**

All of this combined with the rental return from the investment property, the Trust had a record net cash return of **$44,537.36**.

In addition, the Trust reached an in-principle agreement with the Club to fund the Centenary celebrations so that this extraordinary item is not a burden to the Club's cash flow.

Craig Williams, Arthur Anderson and Peter Hall

BUILDING OFFICER REPORT

We started the season by hosting the Nutrigrain Carnival in November 2023. It was a great event; our awesome work force once again did a great job setting up and packing down the carnival. Thank you to all that helped. A special thanks to Rory for assisting in the IRB throughout the event.

Ocean's 38 took place in January 2024. Another well organised carnival by us. Thank you to Craig, Greg, Paul, and our good old workforce, well done!!

To all members who use the gym. Thank you for replacing the weights when you are finished training. Our cleaner really appreciates this, it makes her job a lot easier!

Thank you, Smokey, for the donation of the fridge, very much appreciated!

Congratulations to all our competitors on a very successful season, you did well!

The tractor is now looking good and going well. Thank you, Leon, for doing the rusty bits and thank you Paul for tightening the oil filter and the new seat!

Vale Victor Fraser peacefully passed July 2023. Rest in Peace mate.

I would like to take this opportunity to sincerely thank all Tugun members for your help, support and laughs throughout the season, and to all member's, please don't forget to lock up each and every time!!!

See you on the beach! ***Robert (Hoddy) Hodgson***

LIFE MEMBERS

Rest In Peace Bugs

It is was with deep sadness we received the news of the passing of our Life Member, Bruce Barron this year. Bruce was an outstanding member of Tugun SLSC, who contributed to the Club over many years. Bruce joined the club in 1959 at 14 years of age. He gained his Bronze Medallion with Tugun in 1961 and held several club positions including Captain, Chief Instructor, Secretary, and was a long time official. Bruce was part of the Gold Medal winning Reserve Grade Surfboat State Champions in 1967and was also a part of the Branch team that travelled to the Philippines to establish Surf Life Saving there. Bruce was awarded Life Member with Point Danger Branch in 1986. *Vale Bruce Barron.*

FINANCIAL REPORT
FOR THE YEAR ENDED
30 APRIL 2024

TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
COMMITTEE'S REPORT

Your committee members present this financial report on the Tugun Surf Life Saving Club Inc for the financial year ended 30 April 2024.

Committee Members
The names of each person who has been a committee member during the year and to the date of this report are:

President	Brett Beutel
Secretary	Greg Hamilton
Treasurer	Jason Smith
Director of Junior Activities	Adam Bruhn
Director of Life Saving	Thomas Schneider
Director of Surf Sports	Rhyam Pankhurst (appointed 14 August 2023, resigned 17 December 2023)
Director of Surf Sports	Karla James (held office until 02 July 2023)

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities
Promote, advance and control the work of surf life saving, the resuscitation of the apparently drowned, the treatment and resuscitation of any person stung by any marine stinger, and the application of first aid on surfing beaches and elsewhere, and to fulfill any charter of the Charity including its environment and community education commitments

Significant Changes
No significant change in the nature of these activities occurred during the year.

Operating Result
The deficit amounted to $48,655.94 (2023: surplus of $121,187.15). The Charity is exempt from income tax and is endorsed by the Australian Taxation Office (ATO) as a Deductible Gift Recipient (DGR) and as a Public Benevolent Institution (PBI).

The financial statements were authorised for issue on the same date as this report by the committee members of the Charity.

This committee's report is signed in accordance with a resolution of the committee members

President _____
Brett Beutel

Secretary _____
Greg Hamilton

Dated this 17th day of June 2024

TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2024

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Corporate Information

The financial statements are for the Tugun Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. The Tugun Surf Life Saving Club Inc is an association incorporated in Queensland under the *Associations Incorporation Act 1981* (Qld) and is registered as a charity under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth).

Basis of Preparation

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). The committee has determined that the Charity is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following Australian accounting standards have been applied in the preparation of these financial statements:

AASB 101 - Presentation of Financial Statements
AASB 107 - Statement of Cash Flows
AASB 108 - Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1048 - Interpretation of Standards
AASB 1054 - Australian Additional Disclosures

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Accounting Policies

a. Income Tax

No provision for income tax has been raised as the Charity is exempt from income tax under Section 50-10 of the *Income Tax Assessment Act 1997* (Cth). Tugun Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office (ATO) to receive tax concessions. Further, Tugun Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

b. Comparative Figures

When required by these accounting policies, comparative figures have been adjusted to conform with changes in presentation for the current financial year. When required, comparative information is reclassified where appropriate to enhance comparability.

c. Economic Dependence

Tugun Surf Life Saving Club Inc is dependent on lease income and donations from the Tugun Surf Life Saving Supporters Association Inc for funds used to meet it's financial commitments. At the date of this report the committee members have no reason to believe the Tugun Surf Life Saving Supporters Association Inc will not continue to honour the lease agreement and the donations agreement.

d. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the ATO.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

e. Critical Accounting Estimates and Judgments

The committee of management evaluate estimates and judgments in the financial report based on historical knowledge and best available information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Charity.

Key estimates

The estimate of the useful life of leasehold improvements, plant and equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered during the year or during preparation of this financial report.

Key judgments

The methods of depreciation are used to provide a consistent usage of the useful life of leasehold improvements, plant and equipment. The methods also allow, where required, for the leasehold improvements, plant and equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the committee of management.

f. Contributions

If and when Tugun Surf Life Saving Club Inc receives non-reciprocal contributions from the government or other parties for nothing or a nominal value the contributions would be recognised at the fair value on the date of acquisition upon which time an asset is taken up in the Statement of Financial Position and revenue in the Statement of Profit or Loss and Other Comprehensive Income.

g. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Grant revenue is recognised in the Statement of Profit or Loss and Other Comprehensive Income when the Charity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Charity and the amount of the grant can be measured reliably.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

h. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less, and bank overdrafts.

i. Trade and Other Receivables

Trade and other receivables include amounts due from members as well as amounts receivable from other entities. Receivables expected to be collected within twelve months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

j. Inventories

Inventories are measured at the lower of cost and net realisable value.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

k. Property, Plant and Equipment

Each class of leasehold improvements, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and impairment losses.

Leasehold improvements, plant and equipment

Leasehold improvements, plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of leasehold improvements, plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1n for details of impairment).

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of leasehold improvements, plant and equipment is depreciated on a straight line basis over the asset's useful life to the Charity commencing from the time the asset is held ready for use. The rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate & Method	
Leasehold improvements (Clubhouse building)	2.50%	Prime Rate
Leasehold improvements (Clubhouse additions)	2.50% - 10.00%	Prime Rate
Plant and equipment	6.67% - 25.00%	Prime Rate
Motor vehicles	15.00%	Prime Rate

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

l. Employee Benefits

Retirement benefit obligations - superannuation benefits

All employees of the Charity receive defined contribution superannuation entitlements, for which the Charity pays the fixed superannuation guarantee contribution (currently 11.0% [11.5% from 01 July 2024] of the employee's average ordinary salary) to the employee's superannuation fund of choice. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are recognised as trade and other payables under current liabilities in the Charity's Statement of Financial Position.

Short-term employee benefits

Provision is made for the Charity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and long service leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The Charity's obligations for short-term employee benefits are recognised as trade and other payables under current liabilities in the Statement of Financial Position.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

l. Employee Benefits (continued)

Long-term employee benefits

The Charity only classifies employees' long service leave entitlements as long-term employee benefits as they are not expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. Provision is made for the Charity's obligation for long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The Charity's obligations for long-term employee benefits are recognised as provisions under non-current liabilities in its Statement of Financial Position, except where the Charity does not have an unconditional right to defer settlement for at least twelve months after the end of the reporting period, in which case the obligations are recognised as trade and other payables under current liabilities in the Statement of Financial Position.

m. Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the Charity during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

n. Impairment of Assets

At the end of each reporting period, the committee members assess whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the committee members estimate the recoverable amount of the cash-generating unit to which the asset belongs.

o. Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

Total Current Borrowings		**33,235.77**	**2,985.12**

a. The insurance premium financing is secured by the insurance policies, that is, if the Charity defaults on the repayments arrangements then the financier will cancel the insurance and collect the refund.

NOTE 12: HUMAN RESOURCES

At the end of the financial year the number of employees and volunteers engaged by the Charity were as follows:

Full-time employees	1	-
Part-time employees	1	1
Volunteers	197	197

	Note	2024 $	2023 $

NOTE 13: CAPITAL AND LEASING COMMITMENTS

Capital Commitments

The Charity has ongoing compliance rectification work, some costs will be expensed whilst some costs will be capitalised. The amount is undetermined although it could be significant.

The Charity has not entered into any contracts in relation to capital expenditure at the date of this report.

Hire Purchase / Chattel Mortgage / Equipment Loan Agreements

The Charity has not entered into any hire purchase / chattel mortgage / equipment loan agreements at the date of this report.

Finance Lease Commitments

The Charity has not entered into any finance lease contracts at the date of this report.

Operating Lease Commitments

The annual lease fee is determined by the City of Gold Coast and calculated on the annual liquor purchases by the tenant, Tugun Surf Club Supporters Association Inc. Therefore, future lease costs cannot be accurately determined, however, the lease cost for the year commencing on 01 July 2023 was $9,177.16 excluding GST.

NOTE 14: CASH FLOW INFORMATION

a. Reconciliation of Cashflow from Operations with Surplus/ (Deficit) after Income Tax

Surplus/(Deficit) after income tax	(48,655.94)	121,187.15

(Increase)/Decrease in financial assets	(44,537.36)	(39,918.93)
(Increase)/Decrease in other assets	(2,820.98)	(1,145.00)
Increase/(Decrease) in trade and other payables	54,794.25	(12,707.89)
Net cash generated from (used in) operating activities	**65,442.64**	**182,478.41**

b. Credit Stand-by Arrangements

The Charity has no stand-by credit arrangements with financiers.

c. Non-Cash Financing and Investing Activities

There was no non-cash financing or investing activities during the year.

NOTE 15: CHARITY DETAILS

The registered office and principal place of business of the Charity is:

Tugun Surf Life Saving Club Inc
29 O'Connor Street, TUGUN QLD 4224

NOTE 16: CONTINGENT LIABILITIES AND ASSETS

There are no contingent liabilities or assets that may become payable or receivable by Tugun Surf Life Saving Club Inc requiring disclosure in the financial report.

NOTE 17: EVENTS AFTER THE REPORTING DATE

No events have occurred subsequent to reporting date which require disclosure in this report.

	Note	2024 $	2023 $

NOTE 18: KEY MANAGEMENT PERSONNEL COMPENSATION

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Charity, directly or indirectly, including any committee member (whether executive or otherwise) of the Charity is considered key management personnel (KMP). There was no remuneration paid by the Charity to KMP's.

Amounts paid by the Charity to committee members during the year for goods and/or services			-

No KMP has entered into a material contract with the Charity since the end of the previous financial year. KMP's may obtain membership and may also obtain other services and benefits from the Charity on terms and conditions no more favourable than those available to other members and, if so, were immaterial.

NOTE 19: RELATED PARTY TRANSACTIONS

Other related parties include close family members of KMP's and entities that are controlled or jointly controlled by those KMP's individually or collectively with their close family members.

Amounts paid by the Charity to related parties of KMP's during the year for goods and/or services		3,980.00	-
Amounts received by the Charity from Tugun Surf Life Saving Supporters Association Inc during the year for rent		133,680.64	124,730.20
Amounts paid by the Charity to Tugun Surf Life Saving Supporters Association Inc during the year for goods or services		112,932.84	71,633.89
Amounts received by the Charity from Tugun Surf Life Saving Supporters Association Inc during the year for donations		80,332.02	250,119.20
Amounts paid by the Charity to Tugun SLSC Investment Trust (loan repayments)		2,985.12	18,128.46
Amounts received by the Charity from Tugun SLSC Investment Trust (distributions and loans)		44,537.36	39,918.93

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated in this Note.

NOTE 20: FINANCIAL RISK MANAGEMENT

The Charity's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable, accounts payable, loans payable and hire purchase agreements.

The carrying amounts for each category of financial instruments are as follows:

Financial Assets			
Cash and cash equivalents	4	180,747.25	427,637.04
Trade and other receivables	5	29,193.51	17,685.43
Total Financial Assets		**209,940.76**	**445,322.47**
Financial Liabilities			
Trade and other payables	10	41,091.98	9,090.13
Borrowings	11	33,235.77	2,985.12
Total Financial Liabilities		**74,327.75**	**12,075.25**

TUGUN SURF LIFE SAVING CLUB INC

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
TUGUN SURF LIFE SAVING CLUB INC
IA 944 CP 1423 ABN 23 531 283 216

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report of Tugun Surf Life Saving Club Inc (the Charity), which comprises the Statement of Financial Position as at 30 April 2024 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Charity's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information and the Declaration by Members of the Committee.

In our opinion, the accompanying financial report of Tugun Surf Life Saving Club Inc is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) including:

i. giving a true and fair view of the Charity's financial position as at 30 April 2024 and of its financial performance for the year then ended; and

ii. complying with Australian Accounting Standards to the extent described in Note 1.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Charity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Our opinion is not modified in respect to the following matters:

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Charity's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). As a result, the financial report may not be suitable for another purpose.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of the Charity is responsible for the other information. The other information comprises the information included in the Charity's annual report for the year ended 30 April 2024, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The Committee of the Charity is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for- profits Commission Act 2012* (Cth) and is appropriate to meet the needs of the members.

The Committee's responsibility also includes such internal control as the Committee Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the ability of the Charity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charity's internal control.

● Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

● Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.

● Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

● Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charity to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
